Mr. J. E. Curry
Chief of Police

SUBJECT: Gross, Perry Edward, M.D.

Sir:

I contacted a confidential informant who stated:

That this Doctor has been interviewed by the F.B.I. and a Private Investigator hired by Mr. Belli.

Dr. Gross has examined Jack Leon Ruby on several occasions. He states that Ruby is aggressive, impulsive, and impatient. That he likes to talk about fights he has had. He believes Ruby to be sane. Ruby told the Doctor about a friendship with a Chicago Racketeer. He stated that this gangster owed Ruby his life and also money. Ruby was very bitter toward the Federal Government because of his income tax. He told the Doctor that he was going to Cuba to "collect" his income tax and to take a "breather".

Mrs. Joyce Emmons w/f/28, Doctor's Assistant, 920 East 3rd, apartment 34, Irving, Texas likes Ruby and visits the Carosel and Vegas Clubs.

Mrs. Dorothy Hall w/f/29, 1024 Russell, Mesquite, Texas, phone AT-5-2347, does not like Ruby. Has never seen him outside the Office.
