Dallas Police Dept

Dallas, Tex.

J.D. Tippit
Patrol

May I take this means of
Commending Traffic Officer J.W.
Loring and the Radiogram Officer
that investigated an Automobile
accident I was involved in on
the morning of Feb 20, 1961 near
North Wynnwood Shopping Center

After completing their
investigation, the officers took
my wrecked car home which was
no small task.

After that they took me to get
my baby and even that we were
safely home.

Their courtesy and kindness
will always be remembered by
both my husband and I.

Please thank them again for
us.

Sincerely yours:

Mrs. Peter F. Surke

2022. Park St
Dallas.
