Mr. Jesse Curry  
Chief of Police  
Dallas, Texas

Dear Mr. Curry:

Regarding the handcuffs which were on Lee Harvey  
Cawald at the time he was shot by Jack Rubinstein:

These are much desired to add to my historic  
collection of restraints. You will notice on page 25  
of the enclosed book that I have the handcuffs which  
were worn by Charles Guiteau the assassin of Pres.  
James Garfield.

I acquired this Houdini collection about seven  
years ago and have been doing good work with it through  
an educational program which has been presented to  
schools across the nation. Some other irons with  
historical value have been added since then.

In exchange for your set of handcuffs I will  
send you either cash or a new pair of identical  
make and keys.

Enclosures.

Sincerely,

*Dick Wresch*
