3437 West Lyndwood STREET
PHOENIX, ARIZONA Dec. 27-63

Police Department

Dear Sirs:-

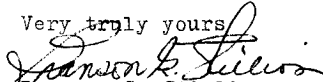

Greetings to you in the wonderful name of Jesus our Lord
and Saviour.

I am inclosing a letter to Mrs Oswald in care of your
department and trusting that you shall see that she
gets it and the contents of it.

We are doing our little bit to show her that we are a
Christian nation and have a true love in our hearts for
our fellow man.

I wondering if it would be asking to much for a letter of
recognition that you received this little token of love
from our people as one of our youth is making a booklet of
all the happenings in connection with death of our president
thanking you in advance I am,

Very truly yours

Branson G. Stillion

P.S. The letter is open for your inspection
