Mr. Curry, Chief of Police  
Dallas, Texas

Dear Mr. Curry:

Thank you for your recent letter concerning Mrs. Oswald.

If this little family should come to me, I would like her to come as a friend of mine. She will shop at a nearby grocery. These people will accept her with no questions after I take her to the store several times.

She will go to church with me and after several weeks we can let the people of Paris know something of the arrangements. They will accept her graciously, as my friend.

If she decides to come, I'd like her to come in on a bus with no fanfare. Not even her closest friend would know where she is. Later she can contact them if she chooses.

She would come into my home and stay until she can ready her apartment where she will have perfect privacy. There will be no rush in doing this. One or two weeks should suffice.

I will love her and take care of her in every way.

If she comes, I would like her to arrive on the 22nd or 23rd. I would like to know in advance, what the ages of the children are, so that we can plan a wonderful Christmas, with a lovely tree for them.

Mrs. Oswald and I would prepare turkey with all the trimmings, bake a ham, and all the other things that make Christmas.

I had my family Thanksgiving, so according to family arrangements, I will be alone except for the Oswalds.

Let me know what to expect.

Respectfully,

*Dimple Crain Davis*
