Chief Police.

Dear Sir. I am wrighting
you to see if you could
give me the address of the
wife of the acused killer
of our President. I am greatfull
in sempthil with the
widows and fatherless
Children. our Nation suffers
a great loss. our President
is dead and thair is nothing
we can do about it. and God
says take care of the
widows and orphants. and
this little woman I suppose
needs help and a woman
no body wants. I am like
the erson lady I hurd spoke
of on the news. I want to
