

Let's make her feel welcome
and wanted, and may their
future be brighter.

I imagine she had
enough grief and bad luck
in these few years she had.

I know she is grief-
stricken too over what has
happened.

Let's help to make this
her most wonderful
Christmas she ever had.

We hope something can
be done for her, and for
the future of her children.

Sincerely,

Mrs and Mrs Robert M. Goodman
