Gentlemen:

I am a freshman at Cameron State Agricultural College and will soon have a term paper due. You say, "How can we help?" My paper is concerned with the assassination of John Fitzgerald Kennedy and his assassin.

I have followed the assassination since the beginning, and have read almost everything concerned with it. This will help tremendously. But, I have one small problem: I would like to have some illustrations or photographs, but do not have access to any. Could you help me in any way?

If you could send me any illustrations or photographs dealing with the assassination, I would greatly appreciate it

Sincerely yours,
