Mr. Robert Clark  
641 Alameda  
Redwood City, California 94061

Dear Mr. Clark:

All of the information concerning the circumstances surrounding the assassination of President Kennedy known to members of the Dallas Police Department has been given to the Warren Commission and has been publicly reported by that organization.

I regret that we are not able to furnish information beyond that available to you from the Warren Commission Report.

Very truly yours,

J. E. Curry  
Chief of Police
