

Assassination

May 25, 1965

Mr. P. R. Gyger
P. O. Box 828
Manitou Springs, Colorado

Dear Mr. Gyger:

I regret that I am not able to furnish the photograph you requested in your letter of May 24, 1965.

All of the material we had associated with the assassination was delivered to the Warren Commission. I believe the photograph about which you inquired was included in the Warren Report.

Very truly yours,

J. E. Curry
Chief of Police
