Mr. David J. Campbell
3118 East 65th Street
North Long Beach, California

Dear Mr. Campbell:

The Dallas Police Department has not published a report concerning the assassination of the late President John F. Kennedy.

The Warren Commission has published a very complete report covering all facets of the assassination and I am sure you should be able to find any information you need from this report.

Very truly yours,

J. B. Curry
Chief of Police
