Chief of Police  
Dallas, Texas

Sir - first I want to tell you who I am  
I am a Father of 6 children, 58 year old have 9  
Grandchildren, have been a Baptist Church member  
for 40 year, have been a mason 32 year, am  
J.P. of my District I sympathise very much with  
you good People of Dallas, I was a great admirer  
of President John F. Kennedy,  
This murder could have easily happened here in  
our Town Atlanta, Ga, if the President had visited  
Ga. Tech, as he had promised but for some reason  
he didnt come.  
Sir - what I would like to no is the exact gun  
or rifle killed the President with. The Radio & news  
Papers & T.V. has given out 3 different kinds of guns  
The President was killed with, first British endfield 30<sup>03</sup>  
next - Argentine manson cal. 7.65 - and last an  
Italian Rifle, There is about 3 different kinds of Italian  
Rifles - (Italian M 1938 Mannlicher Carcano 7.35 m.m. 21" Barrel)  
(Italian M 91 Rifle Cal, 6.5 m.m. 24" Barrel) also an  
(Italian Mannlicher Carcano 6.5 m.m. model 91 30" Barrel)  
this is the only means I could think of to get the  
actual truth, Kind enclosed a self addressed envelope -  
Please describe the Rifle to me, and I will forever thank  
you.

Very Truly yours

Buell Martin
