Miss Vera Stone
Route 4
Tarklen Road
Lancaster, Ohio

Dear Miss Stone:

I am not sure where you obtained your information that we had published the age of President John F. Kennedy as 47 years.

So far as I know, in all of the reports of this Department we have shown President Kennedy's age as 46. We cannot, of course, know what reports were published by the individual news media. This possibly is the source of the error.

Very truly yours,

J. B. Curry
Chief of Police
