Nov. 25-63

Mr. Jerry Curry.
Chief of police, Dallas Tex.

Dear sir:

I would like to express my sorrow
to the City of Dallas, Tex. And also to
the brave man that lost his life in line
of duty.

What more can two men do than
give their life for the ideal of freedom?
But Mr. Curry what happened in Dallas
could very well have happened in our own
beloved City of Ft. Smith, Ark, Okla. or
any of the many cities our beloved
president traveled. To in sure, en-
courage + give faith to the people of
our wonderful country. The loved
life, freedom + people in general -

Not only the rich, the people that have
an abundance of worldly goods. But to
the sick, the down hearted + less the
richer things of this life.

I am enclosing a letter I received
