Mr. Jim Garrison
District Attorney
City of New Orleans
New Orleans, Louisiana

RE: Sergio Arcacha Smith

Dear Mr. Garrison:

This is to advise and notify you that I represent Mr. Sergio Arcacha Smith and as such want to review the interview you have in speaking with him concerning your current investigation.

Prior to my being retained by Mr. Arcacha your investigator and Assistant District Attorney made an appearance here in Dallas and wanted to speak with Mr. Arcacha concerning the investigation. At that time Mr. Arcacha agreed to talk with your investigators here in Dallas, provided he be asked questions in the presence of either officials of the City of Dallas Police Department or the District Attorney's Office or his attorney. At that time, it is my understanding, your investigators refused to talk with him under these circumstances. Subsequently, they returned to New Orleans and have not discussed the matter with him since.

On Tuesday, March 7, 1967, I had a telephone conference with your investigator and informed him that Mr. Arcacha was willing to discuss this entire matter with you or your representatives here
