SUBJECT: Criminal Intelligence (1)  
BEVERLY L. HORTON, w-m  
DOB 11-02-09

Sir:

The SUBJECT was arrested at Love Field Air Terminal on June 6, 1967 by Officer Robert E. Smith of the Radio Patrol Division, Dallas Police Department. He was arrested after he was seen throwing lapel buttons on the floor in the terminal. The buttons were approximately one and one half inches in diameter and had the words, "WHERE IS LEE HARVEY OSWALD NOW THAT WE REALLY NEED HIM?" printed on them.

The SUBJECT was interviewed at the City Hall by the undersigned officer. He stated that he was personally acquainted with the President and all of his family. He was very evasive about his motives in scattering the buttons. He did state that he had once sold President Johnson a helicopter and that their disagreement was not over that but that it came later. Later in the interview he stated that his third wife had left him over SAM HOUSTON JOHNSON, the President's brother, and that the administration had been trying to keep him "shut up" about this.

He stated that the lapel buttons were made in Austin, Texas, by Underground Publications. He denied having ordered them but stated that a friend had sent them to him.

The SUBJECT stated that he and a party of twelve were enroute to New York when he was arrested. They had reservations at the Stanhope Hotel for the night of June sixth and planned to go to Reading, Pa. on June seventh and attend the Air Show there. He had a ticket on American Airlines flight 128 which was scheduled to arrive in New York at 3:07 p. m. on June 6, 1967. At the time he was arrested the SUBJECT handed one of his male companions five one-hundred dollar bills and told him to take care of the "stuff" in the bags and that he would see him in New York.
