

From all present indications, the Warren Report will be nothing but a glorified coverup heaped on top of the F.B.I.'s shoddy coverup for the crimes committed by the Dallas police.

Why, it may be asked, should President Johnson wish to keep the lid on the true circumstances of his predecessor's death? Legitimate as this question may sound, it is in fact a bit naive. Who put Lyndon Johnson in the White House? Not the ballots of the American people. The bullets of a powerful gang of fellow-Texans did.

I do not suggest that Johnson personally instigated the plot or that he actively took part in it. At this stage of my inquiry, I do not think that he was in any way directly involved. But he is the beneficiary of a crime conceived and executed by the power elite of his home state, Texas.

Thanks to the Bobby Baker scandal, Johnson was on his way out of the White House, when the Texas gang forcefully put him back with a few well-placed shots. Other factors that contributed to the decision to kill Kennedy were the resentment of the big oil interests of Texas at the late President's tax reform proposals; the wrath of the Cuban adventurers inside and outside the C.I.A. at Kennedy's moderation in the matter; the hate of fanatical segregationists of the Beckwith and General Walker stripe. The John Birch Society, rehearsing a factual version of "Seven Days in May."

The assassination of President Kennedy was more than "the crime of the century." The way it has been presented to the American people - the most gullible on earth - constitutes the most monstrous fraud ever perpetrated by officialdom and connived at by a supine, cowardly press. It was the most blatant attempt to fool all the people all the time this country has ever witnessed. So far it has achieved complete success. Historically, the perfect crime was committed on November 22, 1963.

The present report, which for the first time spells out the whole, awesome truth about the assassination, will not make glaring headlines. It is not likely ever to see the light - in this country - as a printed book. But it will make its way, I am sure, onto some library shelves where scholars of the future, endeavoring to shed some light on 20th century obscurantism, then will find the source material which the powers-that-be and the controlled news media of 1963-64 strove desperately to withhold from the public.

I am not writing this for the general public which has been securely lulled into uncritical acceptance of the preposterous Oswald Hoax. My report is destined for the few discerning and independent minds who have sensed all along that something was terribly wrong in the official version but who had no way of getting at the facts. More power to these earnest truth-seekers!

Notice to the Assassins: You can kill me, too, but you can no longer stop the truth. Every fact that will be brought out in the present report, every name that will figure in it, every hidden aspect uncovered therein, is already contained in my 320-page book manuscript due to be published in Paris soon. Numerous copies of it have been placed in safe hands throughout Europe. Anything that may happen to me will only enhance the worldwide repercussions of my expose.

P.S. Libel suits will be particularly welcome.
