

experts be the Court of last resort, ~~the~~ according to what ~~the~~ Word of God in the Bible says about the matter, ~~the~~ ~~experts~~ ~~will~~ ~~be~~ ~~preachers~~, and not secular lawyers. But I doubt that the Harvard law professor was advocating this kind of ~~expert~~ ~~ultimate~~ expertise.

Mr. Haggerty said that Dallas police should have barred the press from the police station after the shooting of President Kennedy, ~~on~~ ~~the~~ ~~argument~~ ^{and} that police spokesmen could have come outside and made a report ~~about~~ about the case. But that ~~idea~~ would have been ungodly, unconstitutional and a police-state system. It would have been ungodly, because Jesus said, "Nothing that is hid that shall not be revealed.... What is said in secrecy will be heralded from the house top." And the Fundamental Christian doctrine of individualism teaches that every individual has the right to know, ~~so~~ since any individual can recognize and expose
