

A few Baptists, however, are not secularists at all. For example, such Baptists as Billy Graham and, perhaps, Dr. W. A. Criswell, quote Jesus' statement "It is the Spirit that quickeneth, the flesh profiteth nothing," and Paul's statement, "We Christians live not after the flesh," as well as to give the right interpretation to Paul's statement, "Lawmen are ministers of God."

Sincerely yours,
 Rev. Cecil Greenhaw
