

To Chief of Police
Dallas Texas

What lots of people think
of the slaying of Pres Kennedy I was
in Anchorage Alaska some time ago
and was the guest of a party of the
Police Force and I was asked my
opinion of the shooting and I explained
I had not made any opinion of the
affair and I asked them what they
thought of the affair they do not think
Oswald did the shooting which they
think was actually did by a crack
Peace Officer of the City or County they
realized that was the only way they
would ever have a Texas President
and they think Johnson now he would
be President long before he got to Dallas
as they said. 95% of the Texans have
no honor. and on my return South I
stopped at Vancouver B.C. Canada and
I was at the Police Post and the
same quiet came up and the deal
was practically the same as the Alaska
Police and it so the report Johnson
