

Buffalo, N.Y.

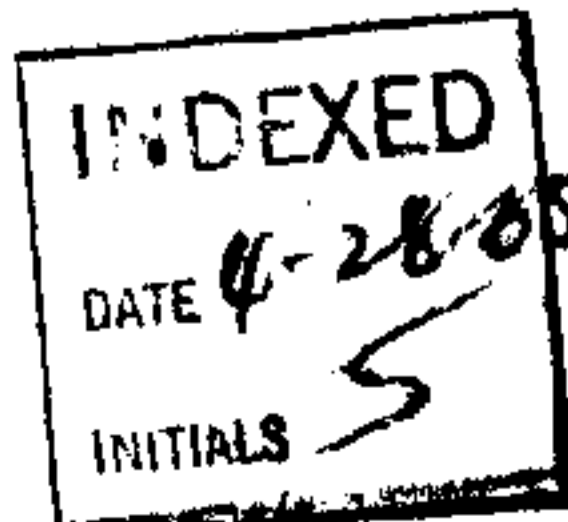

Dear Jack

We of the Jewish Race here
want to console you. Don't worry,
after Goldwater's inauguration you
will be free in 48 hours. We are
the creators & sponsors of
Communism to world control
today, Oswald had to be killed
or he would have told who gave
the order to assassinate. So bad
that fellow didn't come up from
Monterey to catch the blame as we
ordered him by picture shows & TV.
Then we tried to catch him in
Nevada with Sinatra & failed.

But, Goldwater is as good as
elected & then good times - for us!

We failed with the "Police State"
Law in Toronto, too, & didn't catch
him; but we don't quit!

We thought he was perfectly
trained in Sweden by experts & our
people, the bankers there!
