Mr. Jack Ruby,
c/o Dallas Jail,
Dallas, Texas.

Dear Mr. Ruby:-

Because I admire "nuts" like you, I am enclosing a small check of \$10 to add to the fund you will need to defend yourself in court, for doing what I assume almost 100% of the people in Dallas would have done had they had your nerve; and maybe half of the nation would have done had they had the opportunity to do so.

Good luck to you in court, and may God forgive you for killing a worthless human being.

Yours very truly,
