Dear Jack -

To-day is Thanks given - I
am most thankful to-day
because of men like you -
you had the courage to
avenge our President - I

would have done the same
thing if I could have -

I am sure America is
backing you - We talked
to many people - you are
a hero!

I like most are
sorry you will have to go
thru a trial - 3 good men
are dead because of Oswald
3 widows and many children
suffer because of him
