

37
 Mr. Jack Ruby
 City Jail
 Dallas, Texas

Nov. 28, 1963

W. W. Ruby,

By killing Oswald
 These are questions that
 probably will never
 be answered.

1. Why did he kill
 the president?
2. Were there one or
 more involved?
3. Did anyone else
 know that he had
 planned on killing
 him?
4. Did he plan on
 going to any particular
 place after the killing?
