had a X ~~Message~~ since we were married. I am  
45 yrs old. the Wife 34 our Anniversary is  
Dec. 31st. and this is going to be another  
blank year for us. I guess. as it will be for  
you. I only wish there was some thing I could  
do to help you and your Sister out. I know  
you meant well for what you did. but it  
really should of been up to the court to prove  
him guilty first. as he did not have a trial  
but I dont blame you one bit as I guess more  
than one felt the same way as you did about  
it. and they will never find another man as  
Mr. Kennedy was. he was tops.

We all like to see you set this our some  
low down tramp as Oswald was we feel  
sorry for his family as its rough on them. as  
his Mother also as we can about imagine how  
she feels over the President.

any way its over with and there isnt nothing  
nobody can do about it. as he is gone. its  
too bad. and a terrible thing to happen. also  
for the Gov. Conley he is a good guy
