Dear Mr. Ruby

I am so sorry you are in trouble and I hope things will work out for you. The reason I am writing is I saw a picture of you and your pets in our paper, (The Charleston (W.Va) Gazette.) All my life (14 yrs) I've wanted a dachshund dog. I would be very glad to care for your dog for you while you are out of circulation if you would let me. I will remember you in my prayers.

Sincerely yours
Priscilla Ruby
