Dear Ruby,

You'll be surprised
to receive a letter
from a stranger.

But, I was led
to write a word
of comfort. I know
your loneliness &
was playing a hymn
on the piano and
thought why not comfort
Ruby he needs this
too!

I'm glad you have
time before a trial
it gives God a chance
to work for you too
and help you.

In the New Testament
it is written that
God so love the world
