

good shows the only the clearly  
my personal feelings are those of  
utter bereavement because the  
opportunity and forgiveness  
has been taken from our  
country.

John Kennedy stood for

justice and the American way  
of life. As his survivors, the  
United States citizens wanted  
to show their love for him

by a state funeral held on that  
justice. But your personal  
revenge has deprived them?

the final tribute to his  
memory. And in Communist  
countries (where even our ideals

are distorted in an effort to  
blatant on name) the lack of  
will be used to discredit

American democracy - the very  
democracy he had pledged his  
life to uphold.

But to me there is still  
another reason for our sorrow at  
Canada's death.

As I watched with a heart-  
ache nation the funeral and  
burial of our President, the 348
