Mr. Roby

December 1, 1963

TWinois 6-9578
Area Code 312

Now that the pulse of the world has resumed a beat of normality, the questions and opinions of self-appointed theorists and inept experts are heard wherever one goes. I claim neither title Mr. Roby, except being a rather sadoloned American.

History has been re-written in Dallas and you certainly are a part of it Mr. Roby. Your act was secretly cheered by many, but when given time to reflect, the cheers turned to disappointment. Oswald did not get his day in court.

Many questions surrounding the 'blackweekend' will never be known. One still remains to be answered - but this can be realized if you
