do not down you for this act. We are behind
you one-hundred percent. The few who will
say you were wrong, simply do not feel.
They do not feel the grief and the pull
on our hearts for Mr. Kennedy, and the dear
family he leaves behind, as well as the Jappet's
and their grief. Mr. Ruby, you deserve a
medal, for the courage and bravery, of your
act. If you didn't feel deeply of our dear
President, you would have thought of yourself.
Which your act proves, you thought of only
the poor families left behind, and not of
yourself. Please Mr. Ruby, have faith, and
love for God, He will see you thru all
of this, and you will be spared, by
God, and our great nation.

God Bless you and guide you
Sincerely
