Hell. dont you know unless
you get right with God you
will give account of all of
those things as same as
Lee Harvey Oswald 313
I wouldnt let another sun
go down with out calling on
Gods Mercy. If you have
Gods Mercy ⁱⁿ if you have to
give your life in this world
you can have ^{life} in the next
world which will be no sin
there no Devil to cause people
to do these crimes. no death
no parting from family
no pain. I'll pray you'll
make right the wrong with
God. Tho I walk thru the
shadows of death I will fear no
evil says David in psalms 23
