

have to pay with your life according
to mans law. God will claim
you for His own, if you will
believe. John 3.16. For God so loved
the world He gave His Only Begotten
Son, that all who believe on Him
should not perish. but have
ever lasting life. so what does
it profit if a man gain the
whole world and lose his own
Soul.

We who believe can only pray
-that. All things work together
for good, to those who love the
Lord. My prayer for you Sir-
is that you come to the Lord
with a contrite heart and accept
of His Grace. Salvation for a
life eternal with Him.

May God speak to your heart.
and pray that the world may turn
to Him & realize in Him alone is all
help & power.
