

Dallas, Dec 2

Mr. Jack Ruby, this is one letter that is not commending you for the dastardly act you committed in taking the law into your filthy hands and I am not condoning the <sup>crime</sup> act of the person you killed.

While scriptures record an eye for an eye and a tooth for a tooth it also says, "Vengeance is mine, saith the Lord, I will repay."

Before conviction there must be a confession, eye witnesses to a crime or by circumstantial evidence. The whole nation, by means of T.V., saw your act being committed hence you couldn't deny it while the man you slew had yet to confess or be proven guilty by circumstantial evidence, and we think when the true facts are known it will be proven you played a part in that crime also.

No, don't worry I won't be called to sit on Jury duty in Texas as I am a visitor here from another state. and I cannot believe in capital punishment for God willeth not the death of any man but that <sup>all</sup> come to repentance but you should, <sup>at</sup> the maximum at hard labor and may God have mercy on your soul.
