THIS SIDE OF CARD IS FOR ADDRESS

Mr. Jack Ruby,  
Dallas,  
Texas.

Dear Sir: Had not ordered  
 picture of any description -  
 however, the thing that struck  
 me was that certainly had it  
 coming. I smiled for the  
 first time in weeks here  
 when I saw the headlines in  
 the paper that the assassin  
 was dead! You will make  
 what mistake I made  
 if we wanted to do that  
 in Dallas. Well, he would  
 look by looking at as easily  
 as I think that he was healthy  
 and some happy man and  
 beloved President. I hope  
 that these men are  
 kept out of a group of  
 should be given a medal that  
 I should have had a part of  
 to give to the man who  
 saved Texas -  
 from the jaws of hell.  
 I shall never  
 forget this day.
