Mr. Jack Ruby
Dallas Police Station
Dallas Texas

Dear Stupid Ruby:

I have just read a news item which gave great praise to you for the crime you committed. One man from Grove California said, "You have done a great service for us all." Several others said stuff to that effect. I think I would be sinning against everything decent if I did not put in my nickels worth. So here goes.

Your stupid act reveals the center of your smart-eleck disposition giving you a rating (in your own feeble mind) above the brains of our F.B.I.....You have placed yourself above our police dept.....All the churches are behind in judgment. Only you knew what to do. This goes only to show what a bird brain you are. Only a stupid ape would do what you did. You have thwarted justice and now the full truth of the unholy mess will never be known. You are indeed a stupid idiot.
