Dear Mr Ruby  
Just a few words  
to let you know  
I appreciate you  
taking care of Mr  
Kennedy's obituary  
the way you did  
as he deserved it  
after what he did  
such a terrible  
thing to grieve  
the nation  
ever all ways  
for love and order

2) Too like lots  
of others and  
don't approve of  
anyone at any  
time taking  
the law in his  
own hands  
anywhere in our  
country but in  
this case it is  
different I think  
it was justified  
in you doing  
what you did  
so I'm contribute  
ing a little
