Physiotherapy 286
Hospital
in any of our
States and how
to take care
of him after
killing our
President
that would be
too much to
hope to take
and since every
one was saying
it was an act

6 of emergency from
some crazy 286
man he more
than likely
would not
get off
with an insan-
ity plea for
his defense
that would be
better it, so if
anyone can get
off on that after
having something
