

be exonerated! That I
know! If you need funds
for your defense a ²⁵⁰
multitude of money will
be available. The people
of this country will
come to your defense!

Be of good cheer. You
did not kill anyone. You
exterminated a "thing"
that was evil to all
things that are decent.

I hope that you realize
that you are not alone.
Although, as of now, you are
in custody, you are suffering
for all Americans. Don't
become discouraged! The
people are with you. God
be your friend.
