

They are trying to take the honor
of averging the death of the
President away from me

You were a real
hero. The Grand
jury will not indict
you for the death
of the President, but
if they do, no jury
will convict you
or do you any harm.
You are praised
to the sky for your
devotion to President
Kennedy. It is to
the praise of us Jews
that a Jew-avenger
has died.
