Details of Offense

Compl states about 9pm he was sitting at his desk doing some paper work, and the TV room in the house, lower floor, when he heard what sounded like a fire cracker explode above his head. He then looked and saw a hole in the wall to the left of where he was sitting. Officer Norrell found the bullet in the next room lying on stack of packages of paper. The bullet entered the window on the west side of two room after passing thru the wooden frame of the window, and passed by compl's head and went completely thru the wall and stopped on top the stacks of paper. Compl was hit in the right arm between elbow and wrist by either 2 slugs from the bullet, or used, or pieces of glass. Compl states after he looked up, and saw
