Re: Attempted assassination of
General Edwin A. Walker, Dallas, Texas.

Dear Chief Curry:

The following information was developed by this Service relative to the attempted assassination of Retired General Edwin A. Walker, in Dallas, Texas, on April 10, 1963.

On December 2, 1963, there was received from the Irving Police Department, Irving, Texas, some belongings of Mrs. Marina Oswald which had been brought to the Police Station by Mrs. Ruth Paine with whom Mrs. Marina Oswald had been living. When these articles were examined in the Secret Service Office there was found in a book a note written in very poor Russian which was in the handwriting of Lee Harvey Oswald and which apparently was instructions to his wife what she should do in the event that he should be alive and taken as a prisoner.

On December 3, 1963 Mrs. Marina Oswald was questioned about this note by one of our special agents who speaks Russian and she stated that this note had nothing to do with the assassination of President Kennedy and that the note was written by her husband prior to his attempted assassination of former General Walker, whom she classified as the head of the Fascist Organization in the United States and who lived in Dallas, Texas, when they, the Oswalds, lived on Neely Street in Dallas; that the note, together with a Post Office key was left on a dresser of their bedroom and after reading the note she was afraid that her husband was planning on doing something dreadful due to his hate for the Fascist Organizations and their beliefs. She also stated that when her husband returned home late that night he was very nervous and finally told her that he shot Walker with his rifle and that it was best for everybody that he got rid of him.

Mrs. Oswald further stated that when it was learned the next day from radios and newspapers that the rifle shot fired by an unknown person had missed Walker that she decided to keep the note as a threat against her husband so that he would not mistreat her again (it was determined that when the Oswalds lived on Neely Street that people living downstairs beneath the Oswalds had complained to the landlord about Oswald beating his wife) which he had promised not to do. She further commented that she did not report this matter to the Police as she loved her husband and particularly that she did not report it to the Police on account of their child. She stated,
