 I saw a very large one in the field.  
 It was about 1 inch long and very fat.  
 I don't know what it is, but it seems  
 to be a kind of fly or wasp.  
 I saw another one in the garden  
 near the house. It was smaller,  
 but still very fat. I saw it

## Four Indicted in Test Of Cuba Travel Ban

The federal grand jury in Brooklyn which for a month has been investigating the recent trip to Cuba by 34 American students handed down four indictments on Sept. 27. The charges are conspiring to recruit and arrange for the trip.

The announcement of the indictments was made in Washington by Attorney General Robert Kennedy and in the federal prosecution office in Brooklyn.

Three of those indicted — Levi Laib, 24; Phillip Abbot, 26; and Stefan Martin, 24, had gone on the trip to Cuba. The fourth defendant, Anatole Schauer, 26, did not go.

Two others, Salvatore Corchiani, 19, and Ellen Irene Scahill, 29, were named as co-conspirators but were not indicted.

The indictment alleged 31 meet with other persons, such as organizing a committee to promote the trip, meeting in New York and Buffalo, distribution of application forms, etc.

There is to be no testimony that the defendants had any knowledge of the government's policy of a

A Birmingham group of civil rights workers is planning to hold a "sit-in" at the Birmingham office of the Birmingham Post-Herald newspaper. The group is led by the Rev. Martin Luther King, Jr. and includes other prominent civil rights leaders.

The sit-in is being held to protest the newspaper's refusal to publish a letter from the Rev. King. The letter had been published in the Birmingham Post-Herald.

**CP Urges Support To Cuban Relief**

THE COMMUNIST PARTY of the USA issued the following statement last week in connection with the disaster caused by Hurricane Flora in the Caribbean.

"The devastation caused by Hurricane Flora in Cuba and Haiti and the great loss of life, possessions and economic hardships have called forth a great wave of solidarity in all parts of the world, including people of our own U.S.

"A number of people's organizations are already moving to collect funds, food, clothing and urgently needed medicines. Trade unions have sponsored donations as an expression of humanity and solidarity.

"We call upon all members and friends to be in the forefront of the activity and to give their organizations for the collection of urgently needed aid.

**THE SUPREME COURT'S** reversal of the conviction of 275 Negro students arrested at a demonstration in Orangeburg, S. C., three years ago, strikes a blow against the law of "breach of the peace" statutes against civil rights demonstrations.

The protest in the stronghold of segregation, however, is that without a federal law curbing the Justice Department to use on behalf of a Negro denied his civil rights, the best police and politicians will do their best to suppress any threat to the organized and
