Monsieur le Gouverneur,

«Tether est-il vraiment mort et enseveli?»

Dieu je sais en vous l'a dit, mais non prouvé -
mais moi "Vik" je vous dis ce mort n'a pas mort,
et même s'il était enseveli, son esprit est bien vivant,
il domine en Amérique du Sud en particulier et en Angle-
terre -

mon vrai esprit de Dieu, croyez que son esprit
vivant je l'anéantirai à cause de toute les
abominations dont il fait rendre coupable -

le sang honnête et courageux de John Hardy
crie vengeance "le monde entier en est témoin"
c'est pourquoi vous vous avante, soyez vigilant
et sans peur car des adversaires puissants se préparent
dans son temps très proche.

Dear Mr. Johnson;

I regret I had written you
nothing & expected to move from New
Orleans, La., to the Philadelphia -
Baltimore area. You advised me
that I could contact you when I
had gotten settled there and the
party would contact me in Dallas.
Since then my removal plans
have changed and I have settled
in Dallas, Tex for the time.
Though a friend, I have been
introduced into the American Civil
Liberties Union local chapter, which
holds monthly meetings on the Sundays

of further published conspiracy.
The final meeting of October
was on October 25th, a few hours
before and afterwards a very
critical discussion of the ultra-
rights in Dallas
on October 23rd, I had
attended a ultra-rights meeting
called by General Edwin A.
Walker, who lives in Dallas.
This meeting presided by one
day. He attacked on A.S. Johnson
of the united nations day meeting
of which he spoke.
As you can see, political division
between "left" and "right" is very
great here.
Could you advise me as to the

general view we have on the American
Civil Liberties Review?
and to what type, if any, do
I belong attempt to lighten its
program's burdens?

The Dallas branch of the A.C.L.U.,
in joining in the letter of "blame"
professional people, (a number of
two law professors included the
Oct 25th meeting) however, none of
them would demand marked change
awareness and insight.

Respectfully yours
