I am a student at Edamson High School in Dallas, Texas. I am employed on weekends at the Pizza Inn located on West Davis Avenue in Dallas. At approximately 12:10PM today, my wife Barbara and I arrived in downtown Dallas and took position to see the President's motorcade. We took position at the west entrance of the Sheriff's Office on Houston Street. We stood there for a time talking about various things and were talking about the security measures that were being made for the president's visit in view of the recent trouble when Mr. Adalai Stevenson had been a recent visitor to Dallas. It must have been 5 or 10 minutes later when we were just looking at the surrounding buildings when I looked up at the Texas Book ^{DEPARTMENT} ~~Sec~~retary building and noticed that the second floor from the top had two adjoining windows which were wide open, and upon looking I saw what I thought was a man standing back about 15 feet from the windows and was holding in his arms what appeared to be a hi powered rifle because it looked as though it had a scope on it. He appeared to be holding this at a parade rest sort of position. I mentioned this to my wife and merely made the remark that it must be the secret service man. This man appeared to be a white man and appeared to have a light colored shirt on, open at the neck. He appeared to be of slender build and appeared to have dark hair. In about 15 minutes President Kennedy passed the spot where we were standing and the motorcade had just turned west on Elm heading down the hill when I heard a noise which I thought to be a back fire. In fact some of the people around laughed and then in about 8 seconds I heard another report and in about 3 seconds a third report. My wife, who had ahold of my hand, started running and dragging me across the street and I never did look up again at this window.

This statement is true and correct to the best of my knowledge and belief.

"Dallas, Texas
November 24, 1963

"I, Arnold Louis Rowland, make the following statement of my own free will to James W. Swinford and Paul E. Wulff, who have identified themselves as Special Agents of the Federal Bureau of Investigation.

"I am 18 years of age, live at 3026 Hammerly, and am employed at Pizza Inn, 2841, West Davis, Dallas, Texas.

"My wife Barbara and I arrived at a point on Houston Street in Dallas between Main and Elm Streets at about 12:10 p.m., November 22, 1963, for the purpose of observing President Kennedy in the motorcade. The exact position where we were located was on the sidewalk on the west side of the Dallas County Courthouse just under the office of Sheriff Decker and a few feet to the south of the elevator shaft which comes out of the sidewalk.

"Between 12:10 p.m. and 12:15 p.m., I looked toward the Texas School Book Depository which faces the South and is located on the corner of Elm and Houston. I observed the two rectangular windows at the extreme west end of the Texas School Book Depository on the next to the top floor were open. I saw what I believed to be a man standing about 12 to 15 feet back from the window on the right. He appeared to be slender in proportion to his height, was wearing a white or light colored shirt, either collarless or open at the neck. He appeared to have dark hair. He also appeared to holding a rifle with scope attached, in a ready position or in military terminology, port arms. I saw him only momentarily and he seemed to disappear in the shadows of the room.

"I gave this no further consideration as I / at the time believed he was probably a Secret Service man. I also called this to the attention of my wife, but she did not see the man.

"About 15 or 20 minutes later the President came by, but I did not see him get shot, nor did I see any shots fired. I did hear three shots. By about 1:45 p.m. I had advised an officer of what I had seen and I was taken to the Office of Sheriff Decker.

DL 89-43

"I would not be able to identify the person I saw due to the distance involved.

"I have read this 3-page statement which contains to my knowledge the correct truth.

Deposes and says: I am presently going to school at Franklin D. Roosevelt High School and am in the 9th grade. I got out of school this morning to see the President of the United States when he came to Dallas. I was standing on the corner of Elm and Houston street. From where I was standing I could look across the street and see a large red brick building. I saw the President turn the corner in front of me and I waived at him and he waived back. I watched the car on down the street and about the time the car got near the black and white sign I heard a shot. I started looking around and then I looked up in the red brick building. I saw a man in a window with a gun and I saw him shoot twice. He then stepped back behind some boxes. I could tell the gun was a rifle and it sounded like an automatic rifle the way he was shooting. I just saw a little bit of the barrel, and some of the trigger housing. This was a white man, he did not have on a hat. I just saw this man for a few seconds. As far as I know, I had never seen this man before.
