Signed Statement

Dallas, Texas  
March 19, 1964

I, SANDRA K. STYLES, make the following free and voluntary statement to J. HALE McMENAMIN and RAYMOND J. FOX, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

I am a white female, born February 6, 1940 at Dallas, Texas and reside at 2102 W. Grauwylor, Irving, Texas. I am employed as Office Service Representative at Scott, Foresman and company located at room 401 in the Texas School Book Depository Building, 411 Elm Street, Dallas, Texas.

On November 22, 1963 I was in my office at a window facing Elm Street watching the Presidential motorcade at the time President Kennedy was shot. Also present at this window with me were DOROTHY GARNER, ELSIE GORMAN, and VICTORIA ADAMS all of whom are employed at Scott, Foresman and Company.

I never knew LEE HARVEY OSWALD, not even by sight as an employee at the building, and did not see him at the time the President was shot. I do not recall seeing any strangers in the building on the morning of November 22, 1963.

I recall that on the afternoon of November 22, 1963 while watching the motorcade at some time between 12:15 PM and 12:30 PM, possibly about 12:20 I heard shots but thought at the time that they were fireworks. I was unaware of the place the shots came from. I saw people running and others lie down on the ground and realized something was happening but did not know exactly what was happening. VICTORIA ADAMS and I left the office at this time, went down the back stairs and left the building at the back door. We then went around to the side of the building where we saw a policeman talking to someone whom I did not recognize. I was told by a policeman to go around to the front of the building and out of that area. I then reentered the building through the front door, took the elevator to the fourth floor and returned to my office. I did not see any strangers or LEE HARVEY OSWALD between the time I left my office and returned to it inside the building, however I saw many persons milling around outside the building and did not recognize any particular person.

I believe I left the Texas School Book Depository Building at approximately 2:00 PM on November 22, 1963

Statement of Roy S. Truly -

March 19, 1964

I, Roy Sanson Inley, make the following voluntary statement to Alfred D. Deely who has identified himself as a Special Agent of the Federal Bureau of Investigation.

I am of the Caucasian race, fifty six years of age and reside at 4932 Jade Drive, Dallas, Tex. I am employed as Superintendent of the Texas School Book Depository, 411 Elm St., Dallas, Texas.

On November 22, 1963 I left my office with Mr. O. B. Campbell, Vice President, Texas School Book Depository, residence address, 7120 Twin Tree St., Dallas, Texas about 12:10 P.M. for lunch. On leaving the building entrance, I noticed a large crowd of people standing along the street and decided then to wait and watch the President's motorcade pass which I was standing in front of the

building.

At the time President John F. Kennedy was shot I was standing with Mr. Campbell in the street just in front of the building entrance. I heard three shots fired and moments later I accompanied a uniformed officer from the Dallas Police Dept. to the second floor of the building. This officer looked in the lunch room located in the back part of the building about 20 or 30 feet from the stairway. Just inside the lunch room door, Lee Harvey Oswald was standing facing the officer. I identified Oswald as an employee and <sup>the officer and then R.D.D.</sup> proceeded on to the roof of the building. We made a quick examination of the roof area and then I returned to the first floor area and started to account for the location of each of my employees. I was not able to locate Oswald. I did not see Oswald outside the building at the time President Kennedy was shot. I recall seeing Oswald

about 8 A.M. when I came to work. He was going about his work of filling orders at that time. I did not see him, as I recall, any more until the moment I saw him in the lunch room.

I did not see any strangers in the building at any time during the morning of November 22, 1963. I remained in the building and assisted the officers in every way I could until approximately 7 P.M. when I left for home.

on November 22, 1963 I left my office, South Western Publishing Co., Room 203, Texas School Book Depository Building, about 11:30 AM. to see the presidential motorcade which was to pass along Elm Street in front of the building. I am a negro male and I was born September 3, 1943 at Carthage, Texas. I reside at 1502 Avenue B, Apartment B, Dallas, Texas and I have been employed as a checker by the Texas School Book Depository since early September, 1963.

On November 22, 1963 I, along with Harold "Hank" Norman and James Earl German, Jr., <sup>B.R.W.</sup> ~~were~~ both of whom are also employed by the Texas School Book Depository, were on the fifth floor of the Depository Building looking out the windows waiting for the presidential motorcade. We were at the windows which are located at about the center of the building on the south side. As the presidential motorcade passed by the

B.L.W

building on Elm Street below I heard three shots which sounded like they came from directly above me. At first I thought the noises I heard were firecrackers. I looked up when little pieces of cement hit me on the head, but I saw none. I did not know that President John F. Kennedy had been shot. When I saw all of the confusion on the street below I ran to the west end of the building to get a better view. Hank and Junior who were on the floor with me also ran to the west end of the building. While we were B.L.W standing at the west end of the building on the fifth floor, a police officer came up on the elevator and looked all around the fifth floor and left the floor. I did not see anyone come down from the fifth floor via the stairs.

The last time I saw Lee Harvey Oswald on November 22, 1963 <sup>was</sup> <sup>B.L.W</sup> at about 11:40 am. At that time Oswald was on the 4th floor on the east side of the building

B.R.W.

I did not pay particular attention to what he was doing.

I did not observe any strangers in the Depository Building on the morning of the day the President was assassinated.

Shortly after 1:00 PM on the day the President was assassinated I accompanied a police officer down to City Hall for questioning. At about 3:30 PM I left City Hall and went home. I did not return to the Depository Building that day.

I have read this statement consisting of this and two other pages. I have initialed each page, each correct, and it is true to the best of <sup>my</sup> knowledge and belief.

I, Mary Lee Williams, freely furnish the following voluntary statement to Eugene J. Petrakis and A. Raymond Sutzger, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

I am a female caucasian, born in Ennis, Texas, on October 9, 1904. I presently reside at 3718 Inwood Road, Dallas, Texas, and have been employed by Allyn and Bacon, Incorporated, having offices on the third floor of the Texas School Book Depository, 411 Elm Street, Dallas, Texas, for the last fifteen years. I now act in the capacity of receptionist for that firm.

On November 22, 1963, I left the Depository building at approximately 12:20 P.M. to view the arrival of the Presidential motorcade. I was accompanied by Mrs. Sue Dickerson, Billie Clay,

Ruth Hendrix, all employees of Allyn  
and Bacon, Inc., and Mrs. John Hawkins  
and her four year old son, John. Mrs.  
Hawkins is wife of John Hawkins, an  
agent for Allyn and Bacon, Inc., and  
resides at 2719 Cumberland Drive, Mesquite  
Texas. Our group took up a position  
along the motorcade route about half way  
between the first and second light poles  
on the curbside slightly west of the  
Depository building. We were on the  
North side of Elm street as it leads  
into the underpass. Following the  
shooting of President John F. Kennedy,  
we continued to stand in that area  
for another five to ten minutes and  
then returned to the Depository building  
and stood in the lobby of the building  
where we could hear a radio report of  
the condition of the President. After  
several minutes in the lobby, I returned  
to the Allyn and Bacon, Inc. office  
where I remained until about  
11:30 at which time I left to

building and went directly home.

I do not recall ever having seen Lee Harvey Oswald at any time on or prior to November 22, 1963, and to the best of my recollection have never spoken to him.

Further, I do not recall observing any strangers in the Depository building on the morning of November 23, 1963.

I have read this and the preceding two pages of this statement initialed each page and each correction and find it true and correct to the best of my knowledge.

Dallas, Texas  
March 19, 1964

I, Otis Neville Williams, freely make the following voluntary statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

I am a caucasian male born on January 29, 1899 at Era, Texas and presently reside at 3429 Southwestern Boulevard, Dallas, Texas. I have been employed by the Texas School Book Depository for the past twelve years and am now a supervisor in the Bookkeeping Department.

On November 22, 1963 at the time the Presidential motorcade passed the Texas School Book Depository Building, I was standing on the top step against the railing on the east side of the steps in front of the building. I do not recall who was standing at either side of me but I do know that Mrs. Robert B. Sanders, also an employee of the Texas School Book Depository, viewed the motorcade.

Just after the Presidential car passed the building and went out of sight over the Elm street embankment I heard three loud blasts. I thought these blasts or shots came from the direction of the viaduct which crosses Elm street. I did not then know that President John F. Kennedy had been shot. I remained momentarily on the steps and then returned inside the building.

I do not recall seeing Lee Harvey Oswald on November 22, 1963. I may have seen him at sometime in the Texas School Book Depository Building, but I cannot specifically recall any exact day this might have been. Also I do not recall seeing any strangers in the Texas School Book Depository on the morning of the day President Kennedy was assassinated.

After returning inside the Texas School Book Depository Building just after hearing the three shots on November 22, 1963 I assisted a ~~Dallas~~ police detective in

making a search of the second floor  
of the building. I remained in the  
building until approximately 3:00 P.M.  
at which time I left for home.

I have read this statement consisting of  
this page and two other pages. I have initialed  
each page and each correction and it is  
true and correct to the best of my knowledge.
