Dear Marina:

I am sending you a check for two dollars. A fellow named Frank sent it when I asked for money for you and the children. I didn't have any luck with my appeal tho. Only one man sent money.

Also enclosed is a sheet from a magazine that I publish. There are hundreds of people in this country who are positive your husband did not kill President Kennedy and most of them are glad that somebody did. This may seem strange to you but you have not lived in this country long enough to understand the people here. Whoever did it, they think they did the whole country a favor.

I send this magazine out every time I get an order for a sample copy so the people will know what really happened or part of it anyway.

I am sure your husband is innocent and will eventually be proved innocent, regardless of what some officials say.

U.S. Government Financed Oswald

WASHINGTON, D.C. — The reason behind Chief Justice Earl Warren's blunt statement — after hearing testimony by Mrs. Marina Oswald, widow of Lee Harvey Oswald — that important parts of his special commission's findings would not be revealed "in our lifetime," is that evidence indicates that the assassination of President Kennedy was engineered in Moscow and wittingly or unwittingly financed by U.S. government funds.

The Warren Commission has uncovered startling evidence that Oswald made contacts with U.S. Intelligence and security officials before and after his return from Moscow in June 1962. One security agency, in an affidavit filed with the commission, admits three contacts with Oswald following his return from Russia.

Commission investigators have also gathered information showing that Oswald received government money and special help in obtaining passports from a high-level State Department official, who handles certain secret operations of the Central Intelligence Agency that involve his department.

Other circumstantial evidence in the commission's files links Oswald to the KGB, the Soviet's secret police and assassin organization — making him a double-agent with loyalties to the communists.

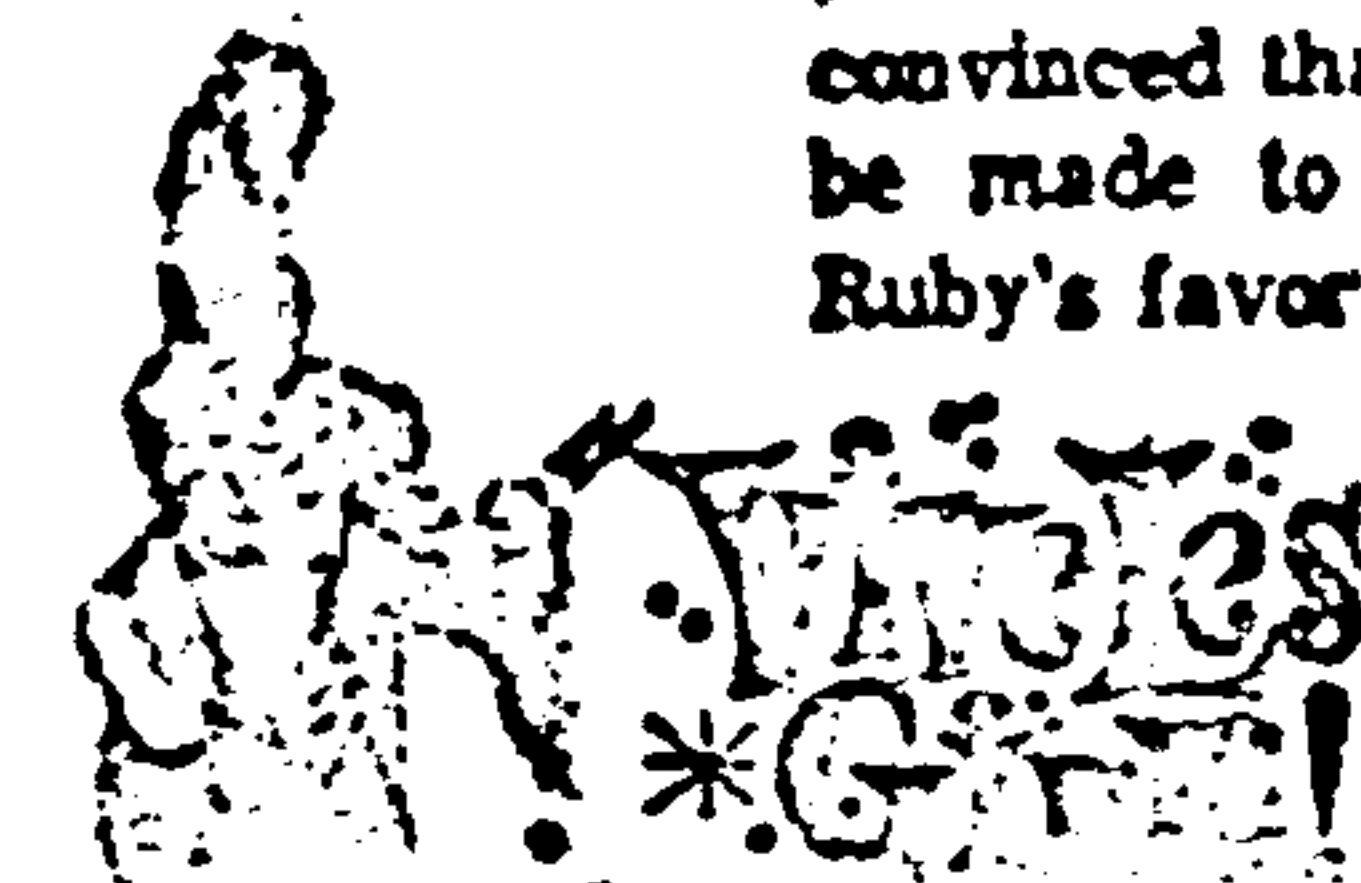

Because of the circumstantial nature of much of the evidence and the impact its revelations would have on U.S.-Soviet relations, Warren has indicated to other commission members that it would be unwise to release these details during "our lifetime." Whether Warren will be able to make his decision stick is open to question.

★ ★ ★ ★ ★

The three hottest documents in the FBI file on the assassination of President Kennedy are:

- A report from the Mexican government giving the make, year, model and serial number of an automobile which Lee Harvey Oswald drove into Mexico last September 26. Since Oswald didn't own a car, it is believed he may have borrowed it from someone who perhaps was a co-conspirator. This information is considered so hot that minutes after the Mexican embassy in Washington delivered the report to the U.S. State Department, FBI agents appeared at the State Department and demanded that it be turned over to them. State Department officials, surprised by this blunt demand, surrendered the report without making photostatic copies for other government branches, as is customary.
- A report by two ballistics experts who were at the scene of the murder of President Kennedy and who have submitted an opinion that the shooting of the President and of Texas Governor John Connally was the work of at least three people firing from different levels and directions.
- A list of people who knew about the planned Presidential route in Dallas since last September. It was in September that Oswald first tried to get a job along that route. The Presidential route was made known to the Dallas police in September.

Note: Both the Mexican government and the U.S. State Department were told by the FBI not to disclose any information concerning the Kennedy assassination, but Chief Justice Earl Warren, who heads up the Presidential commission to investigate the murder, is demanding direct reports from the Mexican government and all Federal agencies concerned.

A noted Italian writer and a former member of the Italian equivalent to our FBI has been making his own independent investigation of the Kennedy assassination.

His views are at variance with "reports" given to the American public.

According to his investigation, Jack Ruby knew Lee Harvey Oswald and the Dallas policeman, J. D. Tippit; that Oswald was supposed to have been killed in the warehouse where he worked, and because he got out unharmed, the timetable was upset and became a threat to the plotter's security:

That Police Officer Tippit was not assigned to the police beat

on which he discovered Oswald.

That Tippit's own beat was actually on the other side of Dallas;

That Oswald had no fear when he was called over to the patrol car, but panicked when Tippit got out of his car with a drawn gun, because Oswald allegedly knew he had been double crossed.

That Oswald requested security in transfer from the police lockup to the city jail;

That the gun scope was put on the gun at Klein's store in Chicago and sold as a complete unit;

That the scope was not put on by a Fort Worth gunsmith as claimed by the police authorities.

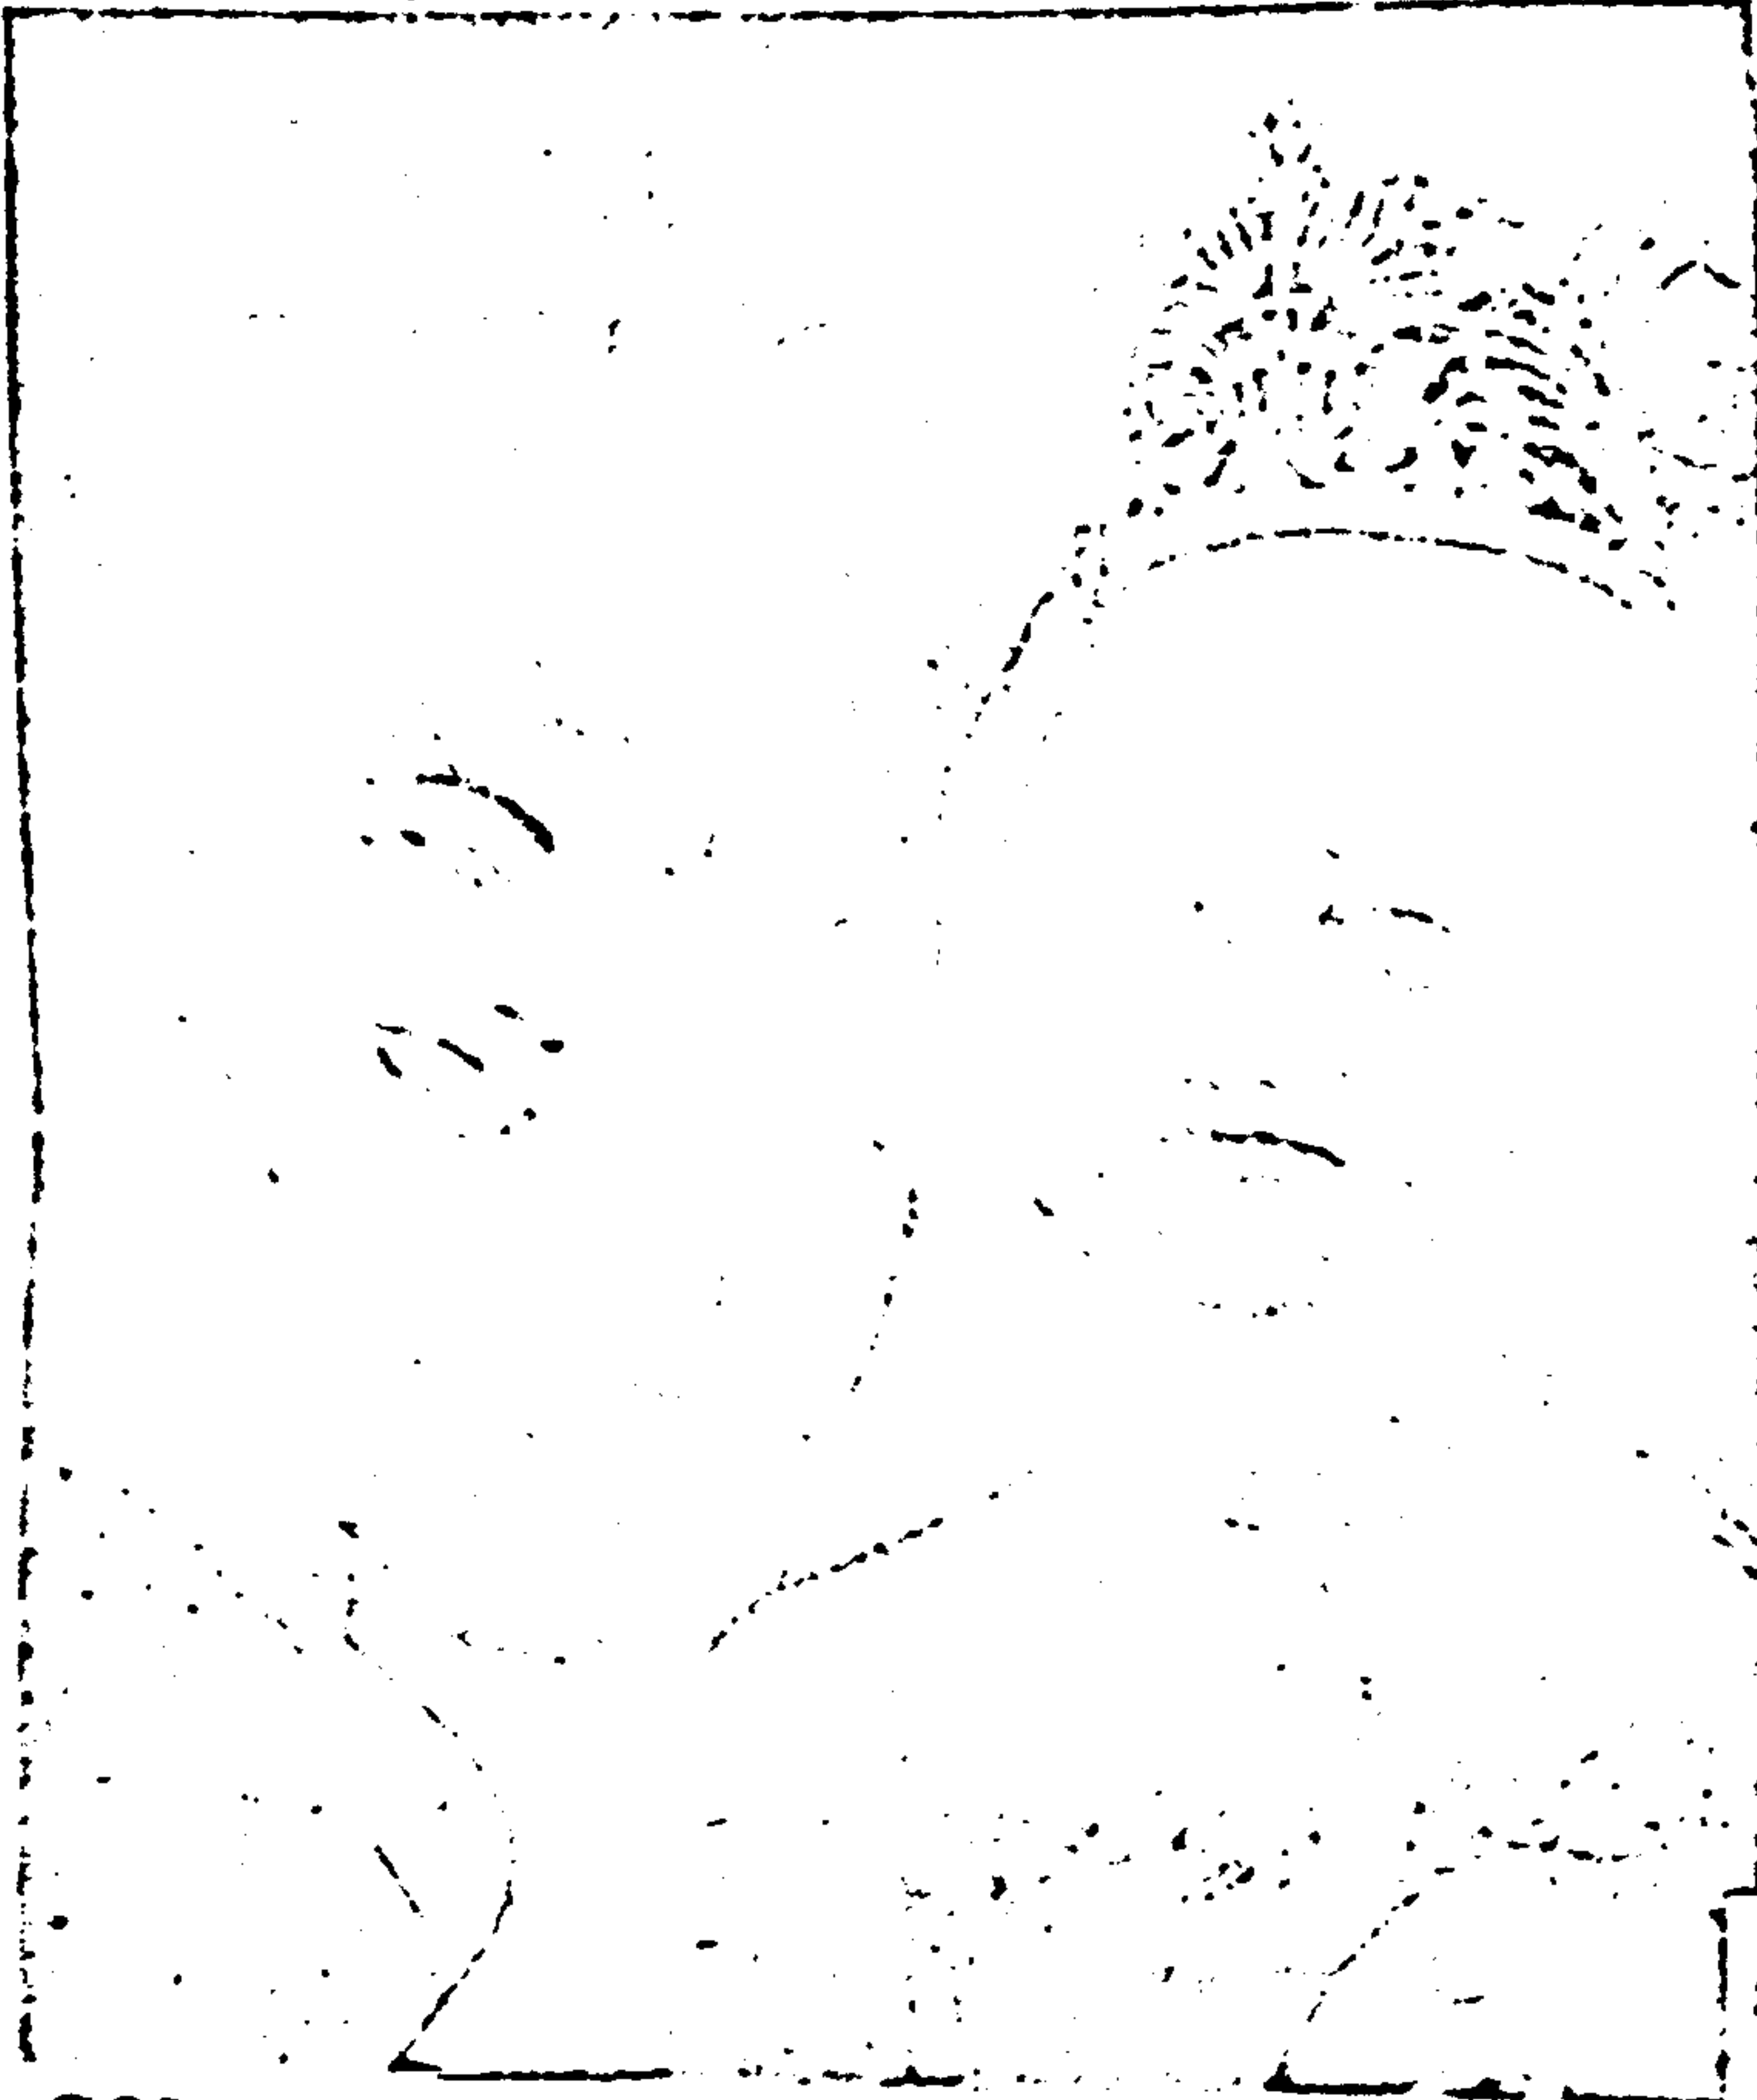

The writer further claims that meetings were held in January,

February and March by a pro-Castro group from Cuba who posed as dissatisfied Cubans; ...

... That the bitter rivalry between the FBI and the U.S. secret service was well known to the Dallas police, and as a consequence of this knowledge they did not give either organization any pre-parade cooperation.

The Italian informer is convinced by his investigation that the assassination of President Kennedy was the result of well planned and well executed plot and that the roots are very deep.

He is planning to attend the trial of Jack Ruby because he is convinced that every attempt will be made to stack the cards in Ruby's favor, it was reported.

COMPANY PICKS SUBURB GIRL TO BE QUEEN

Miss Carol Ann Tight, 18, a key punch operator, was crowned the Hello Charley girl at Western Electric's Hawthorne works, Cicero, yesterday.

Miss Tight, of 215 Fourth st., Downers Grove, was elected in an annual contest in which more than 19,000 employes voted. As the company's "vacation queen," her picture will appear on a sticker distributed to all employes from plants across the nation during the July vacation period.

Miss Tight received her crown from last year's Hello Charley girl, Nancy Ann Blazek Jelen.

Mexican Babies to Get Polio Shots at Birth

MEXICO CITY, Sept. 23 (AP)—The Mexican government has issued a decree requiring that anti-polio vaccine be given all newly born babies, officials said.

HOW IT STARTED

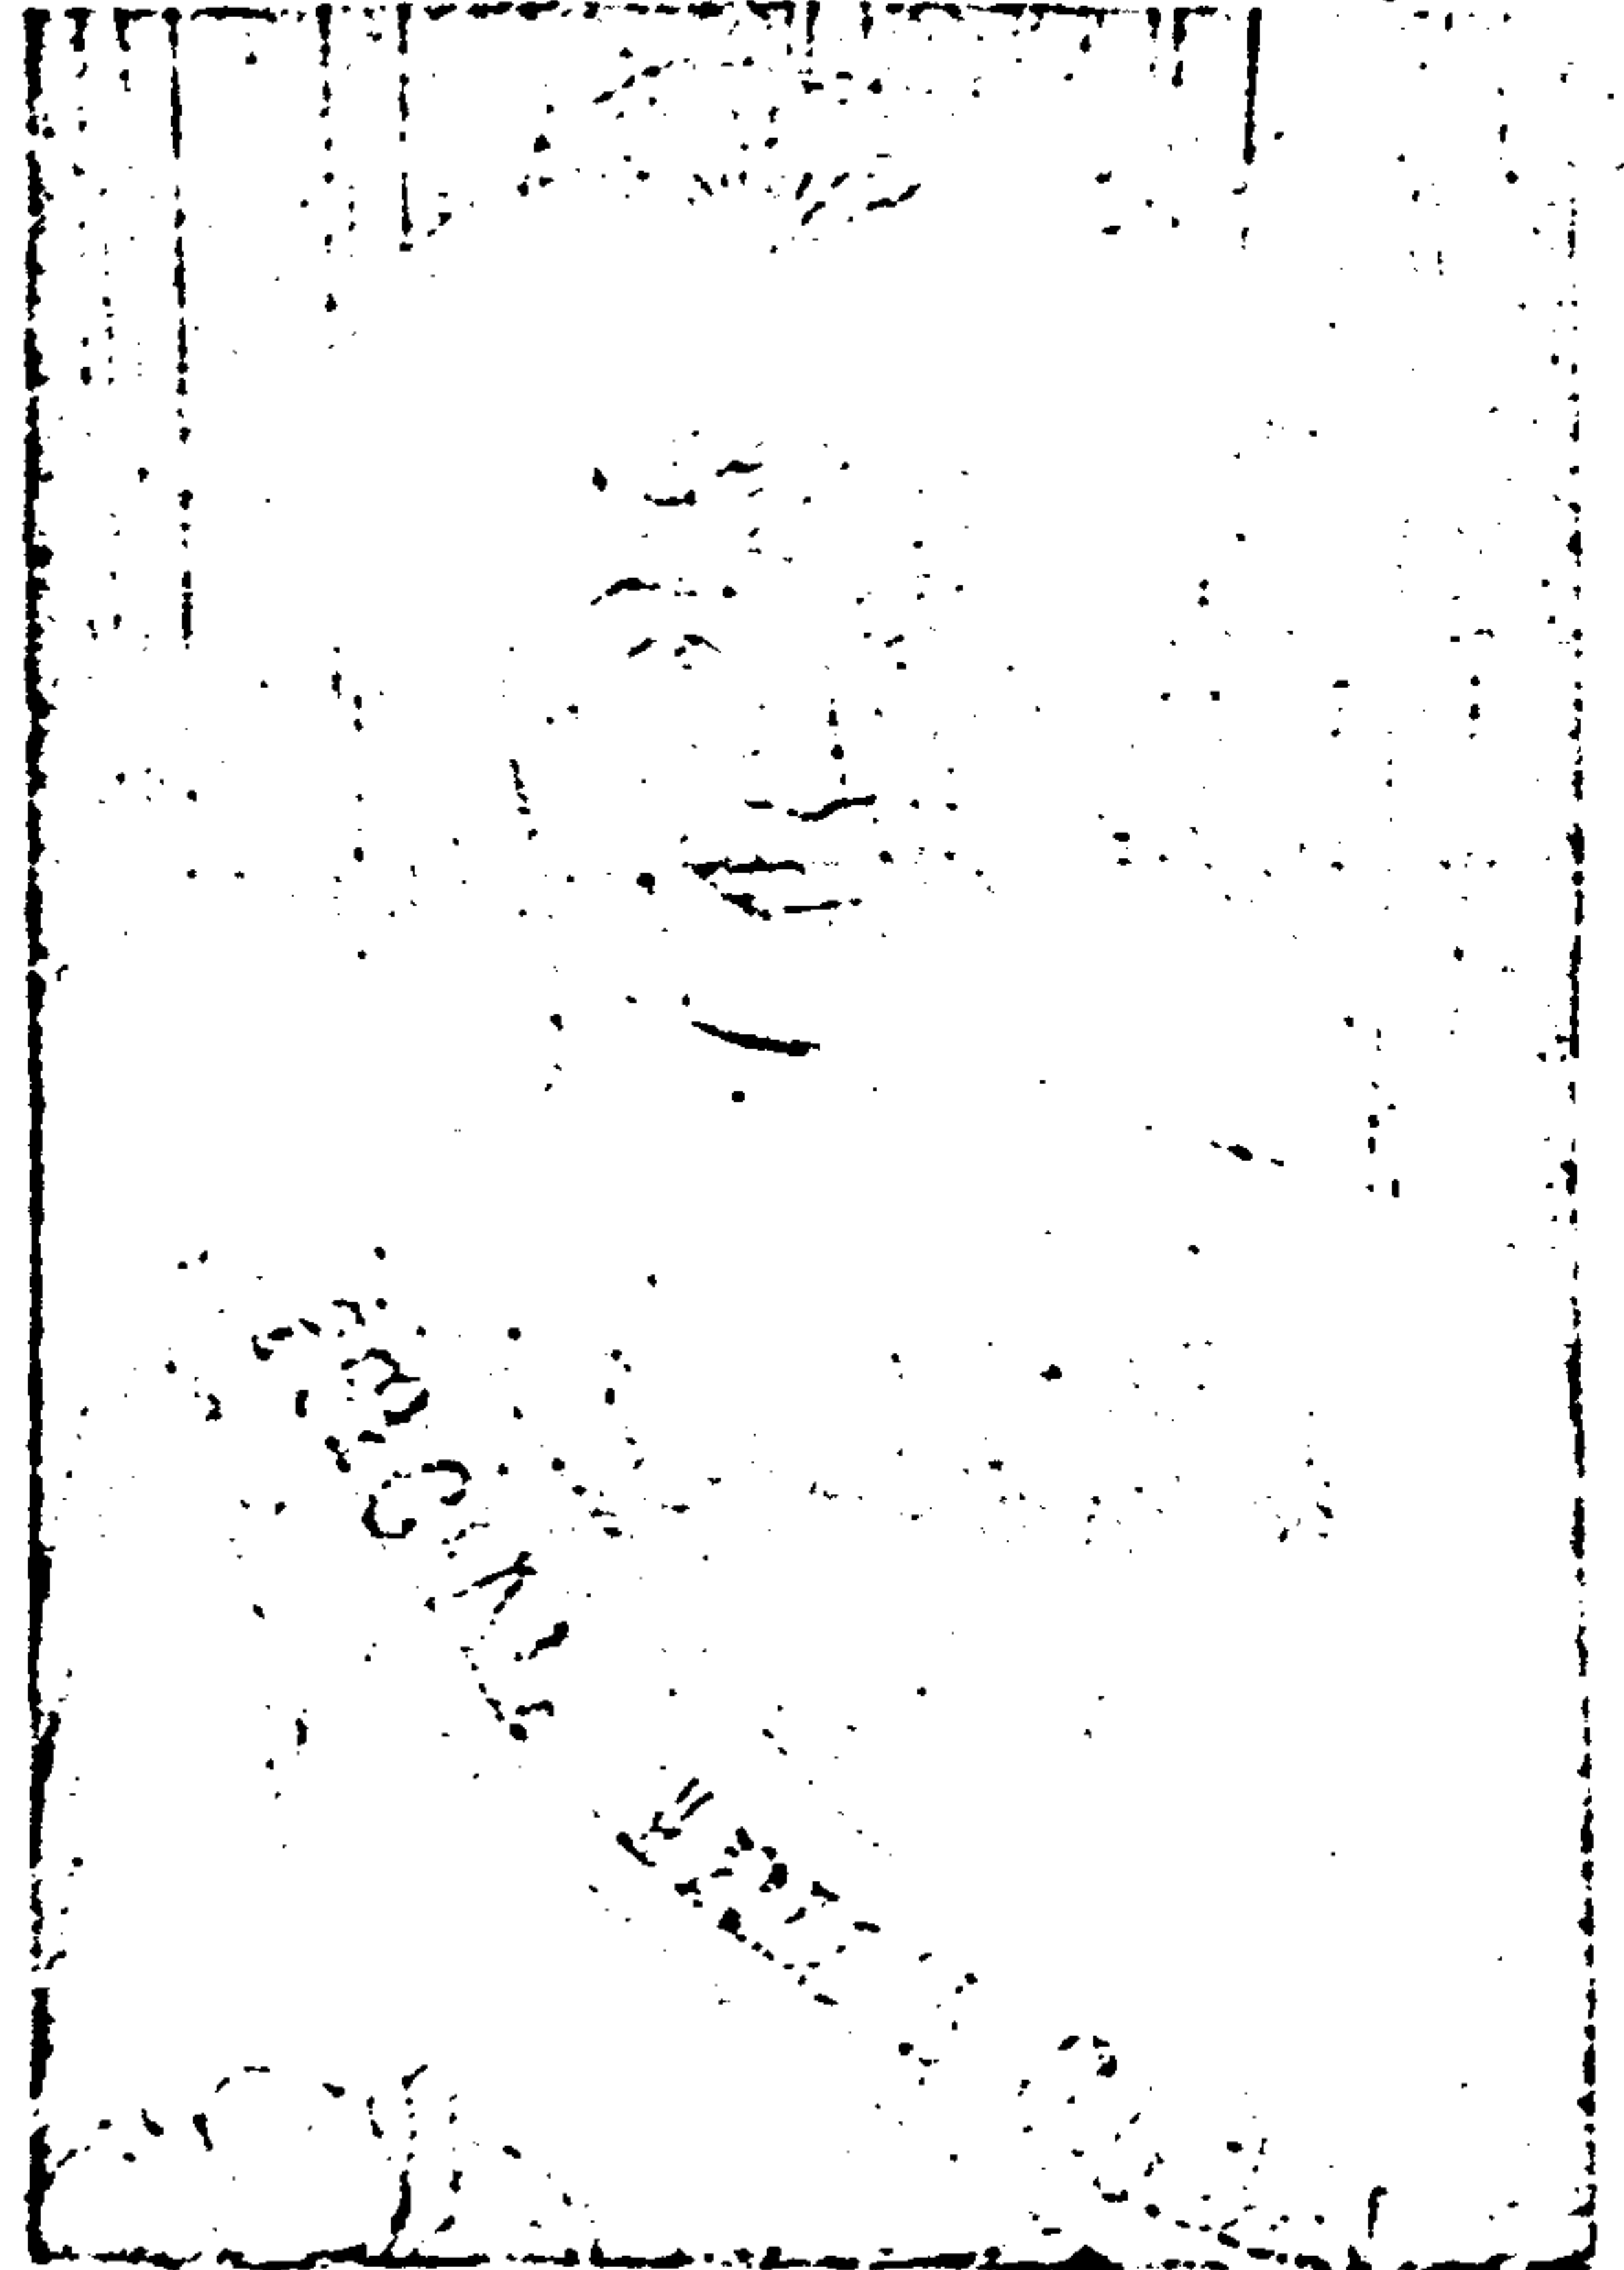

A card addressed "Charley, Western Electric, Hawthorne Works, Chicago, Ill.," was the beginning of the "Hello Charley" tradition. It happened back in the late '20s. The postcard, intended for the late Charles Drucker of the company's benefit service organization, was from a retiree who couldn't remember Drucker's last name.

The incomplete address on the card prompted many laughs. Finally it arrived at Charley Drucker's desk, but by that time employes were calling one another "Charley Western." Time and human nature later changed the term to "Hello Charley," which has become a familiar greeting among Western Electric employes throuout the nation.

1930 QUEEN FIRST

When a "vacation queen" was chosen in 1930, she was identified simply as the Hello Charley Girl—and the identification has stuck.

The winner then reigns over company functions and acts as official hostess.

Official Irish Queen of Chicago is Miss Jo Anne Nealis, 25, of 141 N. Long av., who will reign at 8 p. m. today at Resurrection Catholic church's annual dinner in church hall, 5082 Jackson blvd.

Tucson, Ariz,

Mrs, Marina Oswald
Dallas, Tex,
My Dear Mrs, Oswald;

I have been waiting to write you But now I must after seeing how they have brainwashed you into thinking your husband killed the president, Now here is the true facts, But first let me tell you that you should of sued the city of Dallas for all their ill gotten wealth for the wanton murder of Lee,

I told him that this Ruby was only taking him down the prisrose path, but no he knew that Ruby was ok, you know how bull headed Lee could be, He wanted a pistol so bad,

I tried to convince him one could only get him in trouble, Then when Ruby wanted to t trade him one for his rifle, he sure fell for it, When he told me how Ruby wanted him to hide it on the floor I knew that some plot was being made, Ruby was to meet him on the street & give him the pistol which he did Poor Lee did not know that it had just b been used to kill this good cop Tippet who had been rough on Ruby several times,

You I know have that how come Lee was trying to hide, But as he watched the Presiden parade from the second floor, he heard the sound of the rifle above him coming from the floor where he had hid it for Ruby, Lee knew that he would be suspect so he got on out fast, One has to hand to these that was in this plot they had figured Lee well, he reacted just as they were sure he would, Now they had things going good, Tippet was like a pawn as was Lee, I would of loved to have saw the look on Tippet face as his superior officer pumped those shots into him, then went to the corner to meet Lee & give him the pistol.

The irony of it all was the trust that Lee still had tho he did not know that Tippet had been murdered as he went in to the movie house,

Have you ever thot it odd the cops knew rite where to find him, Little did he dream th that his murder had been planned in advance, My dear lady you say you want to live in Texas, I am sure that the times Lee & I talked he would of not wanted you to for they will never let you rest, or those children of yours,

For any state that allows the people like in Dallas will do anything & the wealth the they have , they got by with two wanton murders Now I am sure that three more would not bother them if neccessary,

Just one more point One nite about two nites before that fatal day we saw two of the gumshoes of the Feds at Rubys place I wondered why but now I am sure that Ruby had the them in with his gang, so please take care of your self & know that Lee could of never done this crime, He was only a pawn in their deadly game, I am certain that Johnson will be murdered as was Kennedy, Maby tho if there is a god he will destroy this Sodan with fire, Tho He would not dare touch those rich trash I guess

Sincerely
Joe,

Sir:

As of Nov 22, 1963, President John F. Kennedy was assassinated in the proximity of your building, and probably by rifle fire from a window in the building. It is therefore assumed that, books and records were a part of the assassination.

I am enclosing a U.S. Secret Service letter that states certain papers were returned to me. The date is nearly one year prior to the assassination letter.

Ray Allen Du Rall

Other records and statements of U.S. employees are now also held.

1. A man by the name of Edgar Washell, who was a former U.S. Postmaster in Pleasant Hill Illinois and later an Insurance Company Executive, who in his lifetime made many Character Judgments for the U.S. Government and for Insurance Cos. And at the time was considered himself a man of High Character.

But Not So.

This man Edgar Washell, after serving a Public function for many years did, go berserk and show his true Character as a Sexual Maniac.

Ray Allen DuRoi

And in 1958 he was
committed to the Illinois
State Asylum for the
Insane, for the remainder
of his life as incurable.

It was that same insane
man Edgar Washell, who
did make a Character
Judgement against Harvey
Lee Oswald when he
was 12 years old.

Therefore such evidence
against Harvey Lee Oswald
is invalid as it was
obtained, from a Non
Competent person, whose
mind was perverted for
years including the time
that he passed judgement
on Harvey Lee Oswald. Or
in other words "Illegal"
Characterization of Harvey
Lee Oswald.

Ray Allen Tom Rall

Therefore in the case -
action of Harvey Lee
Bennett. The case Harriet,
a new trial on the Basis
of this new evidence, which
can be corroborated
by examining the Patent
List at The Illinois State
Assembly for the session
at Jacksonville Illinois

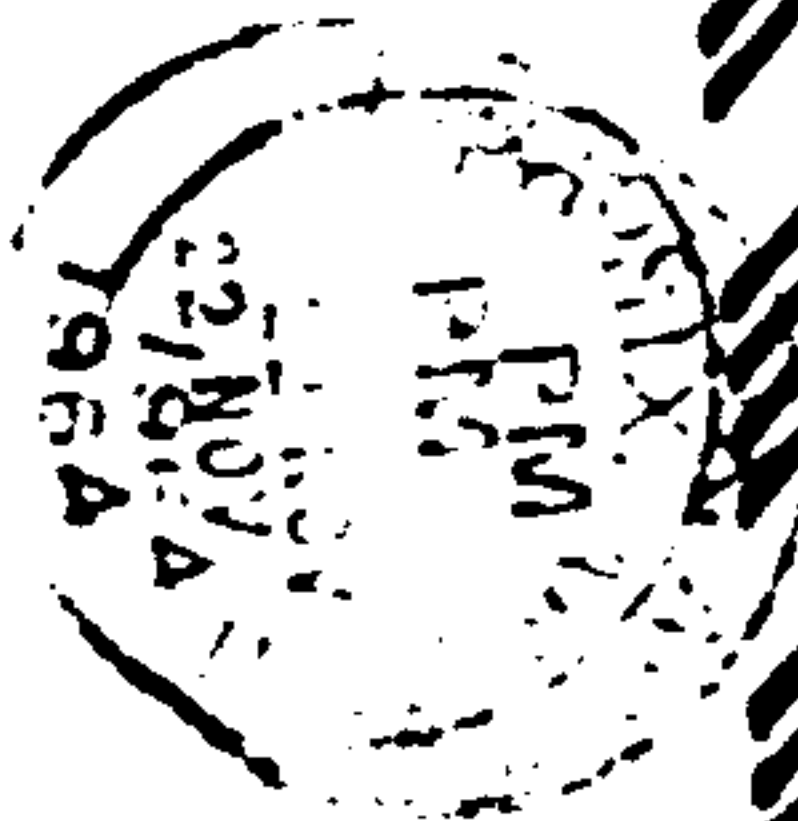

There you will also find
Charles Hall, a double murderer
who also contributed to
other case and is also named
Also a Mr Clark Armstrong
a First National Bank Director
who was committed as
a sex offender, 1958.

So evidence that is developed
on the basis of statements
from, sex predators and
murders, may not be used
in a Court of law when
known and objected to.
Therefore all specific
objections.

you (if you did it). The chief of
police here in Greenfield called my
son and told him the secret

they were suppose to be watching
me. Every Tom, Dick and Harry entered
my home and stole and borrowed
anything they felt like taking. If they
wanted to return it, it was re-

A great many things were nicked, paint

"Dear Marina Oswald" postmarked Youngstown
Oh Is, 8-7-64 signed "George Chiles"

Dear Marina Oswald:

Your opinion of this country is different than mine. In my books this country and busy government is no good. This country and government is run by a bunch of unscrupulous scoundrels, they are nothing but liars, cheaters, swindlers, grafters, parasites, ~~the~~ wicked people etc. I believe me I know I am 46 years old and lived in this country all of my life. Nothing matters in this country only money. Naturally you think this country is alright because the people felt sorry for you and donated you a big bunch of money. You just know the good side of this country, you don't know the dirty part of it. There is a lot of people in this country that are sick mentally and physically, but nobody cares about them unless they got money to spend.

You are very young, and
you just haven't been in this
Country long enough to
know the dirty parts of
this country, like government
etc. If the American people
never donated you any money
you would have much different
ideas about this country. You
would probably want to go
back to Russia. After all
your husband never had a fair
trial. He was killed by a two
legged rab (Rab). As for Jackie
Kennedy, I wouldn't feel very
sorry for her, she has enough
money to live nice for 400 years
if a person would live that long.
She has about \$10,000,000 dollars.

You are a nice woman and you
mean well, but there is a lot
of things that you just don't know.
Money is the main item in this
Country, without it a person is
just a mistle or misses nobody.

I am so disgusted with this
lousy country and government that
I ~~can't~~ don't care to live any more,
I would rather die than keep
on living the way I am living
now. I ~~have~~ I live from
day to day and have no
plans for the future only to
commit suicide. I don't care
what I say about this country
and government any more because
I have nothing to live for or
hope, only my life, and that
isn't worth a played nickel.

It's different for you, because
you have money and two
children to love for.

I am tired of being kicked
and shoved around, lied at, cheated,
gyped etc, by this lousy U.S.
Government. I would care if
~~Hitler~~ Khrushchev would, I
take this country over, in fact
I wish he would maybe he
would be better off.
Sure I might think this

Country and government is
pretty sure to. If I had
money thrown at me like
you did - at least I would
keep my mouth shut. I
have had a hard life
practically all my life. I am
getting pretty tired of it.

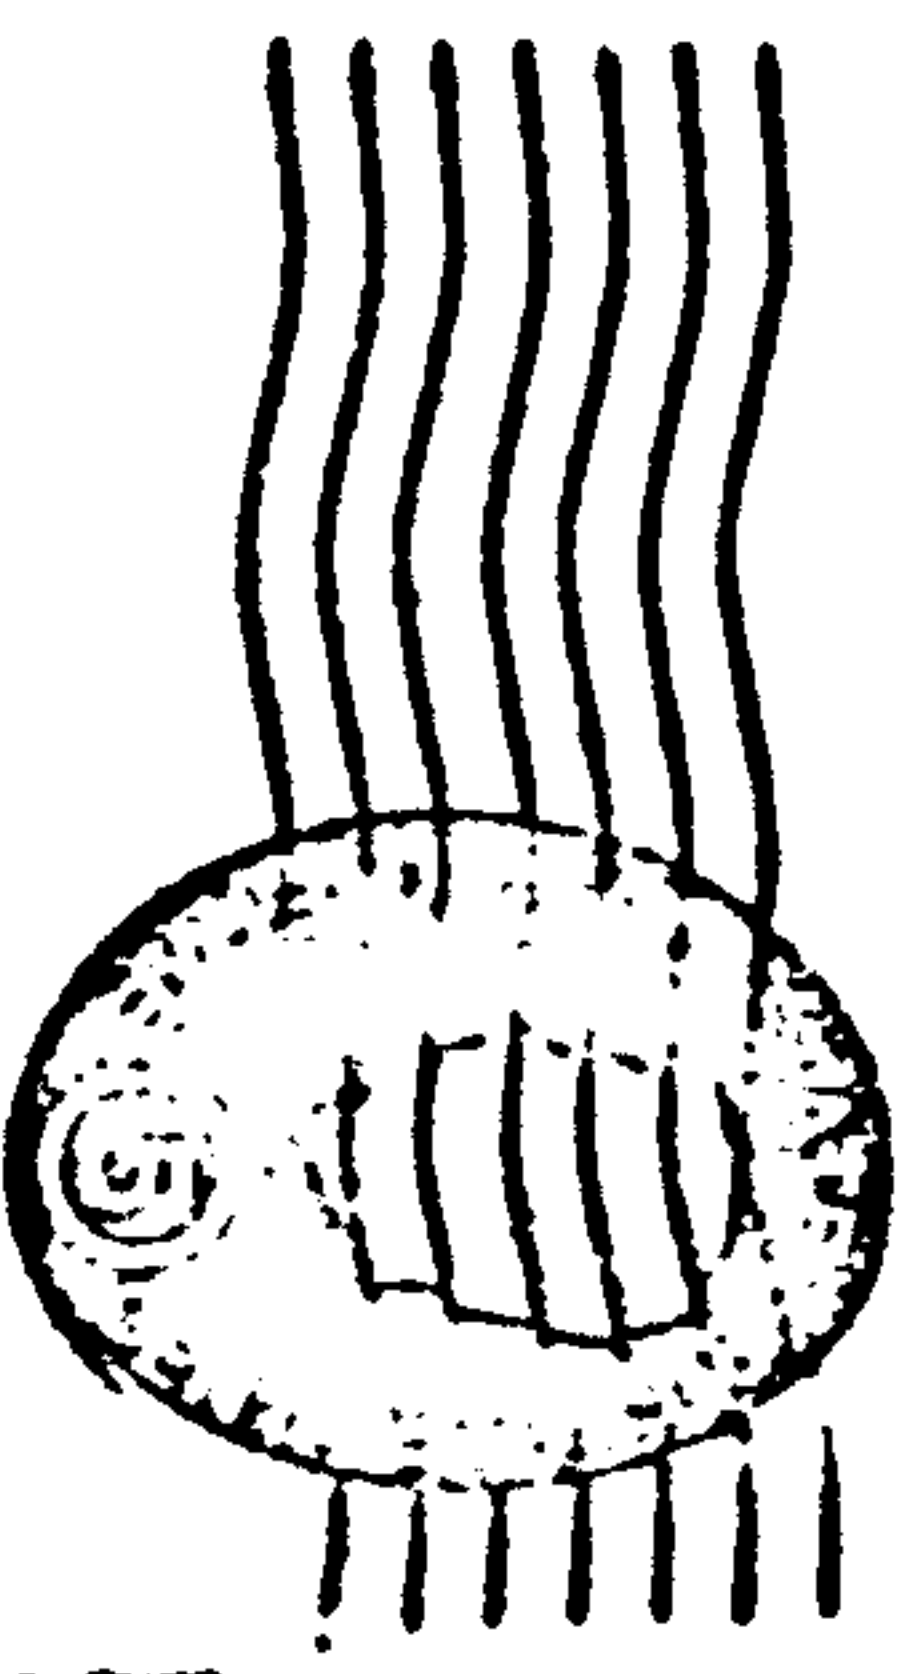

I am actually living in
fear and bondage in this
so-called free Country. There
is only one person in this
world that cares anything
about me, and that is
my mother and she is
such God cannot help
me. This is not a free Country
for every U.S. citizen or anybody
that lives here. Your freedom is
according to how much money a
person has. If you got a lot you are
free. If you are poor you live in bondage.

Miserable and Disgustingly Yours

~~Sincerely Yours~~

REGARDING LASKI'S USE OF THE WORD "MINORITY", THE COMMUNIST MANIFESTO
STATES:

"All previous historical movements were movements of minorities or in the interest of minorities. The proletarian movement is the self-conscious, independent movement of the immense majority, in the interest of the immense majority."

Concerning Laski's assertion that the Marxian movement would be a "secretly" armed minority we find on the last page of the Communist

Manifesto: "The Communists disdain to conceal their views and aims."

WHAT "SINGLE STROKE"?

"The proletariat will use its political supremacy to wrest, by degrees all capital from the bourgeoisie."

Communist Manifesto

As for "assuming power" in the "modern state" Marx indicated in 1872 that in modern states force and violence are not necessarily needed; therefore Laski should not have used the term "armed".

"We know that we must take into consideration the institutions the habits and customs of different regions, and we do not deny that there are countries like America, England, and if I knew your institutions better I would perhaps add Holland - where the workers can attain their objective by peaceful means. But such is not the case in all countries."

Karl Marx
Congress of the International
Amsterdam Holland - 1872

DID CHRIST BELIEVE IN ORGANIZED RELIGION?

"And when ye pray, you shall not be as the hypocrites, that love to stand and pray in the synagogues and corners of the streets, that they may be seen by men: Amen I say to you, they have received their reward. But thou when thou shalt pray, enter into thy chamber, and having shut the door, pray to thy father in secret: and thy Father who seeth in secret will repay thee."

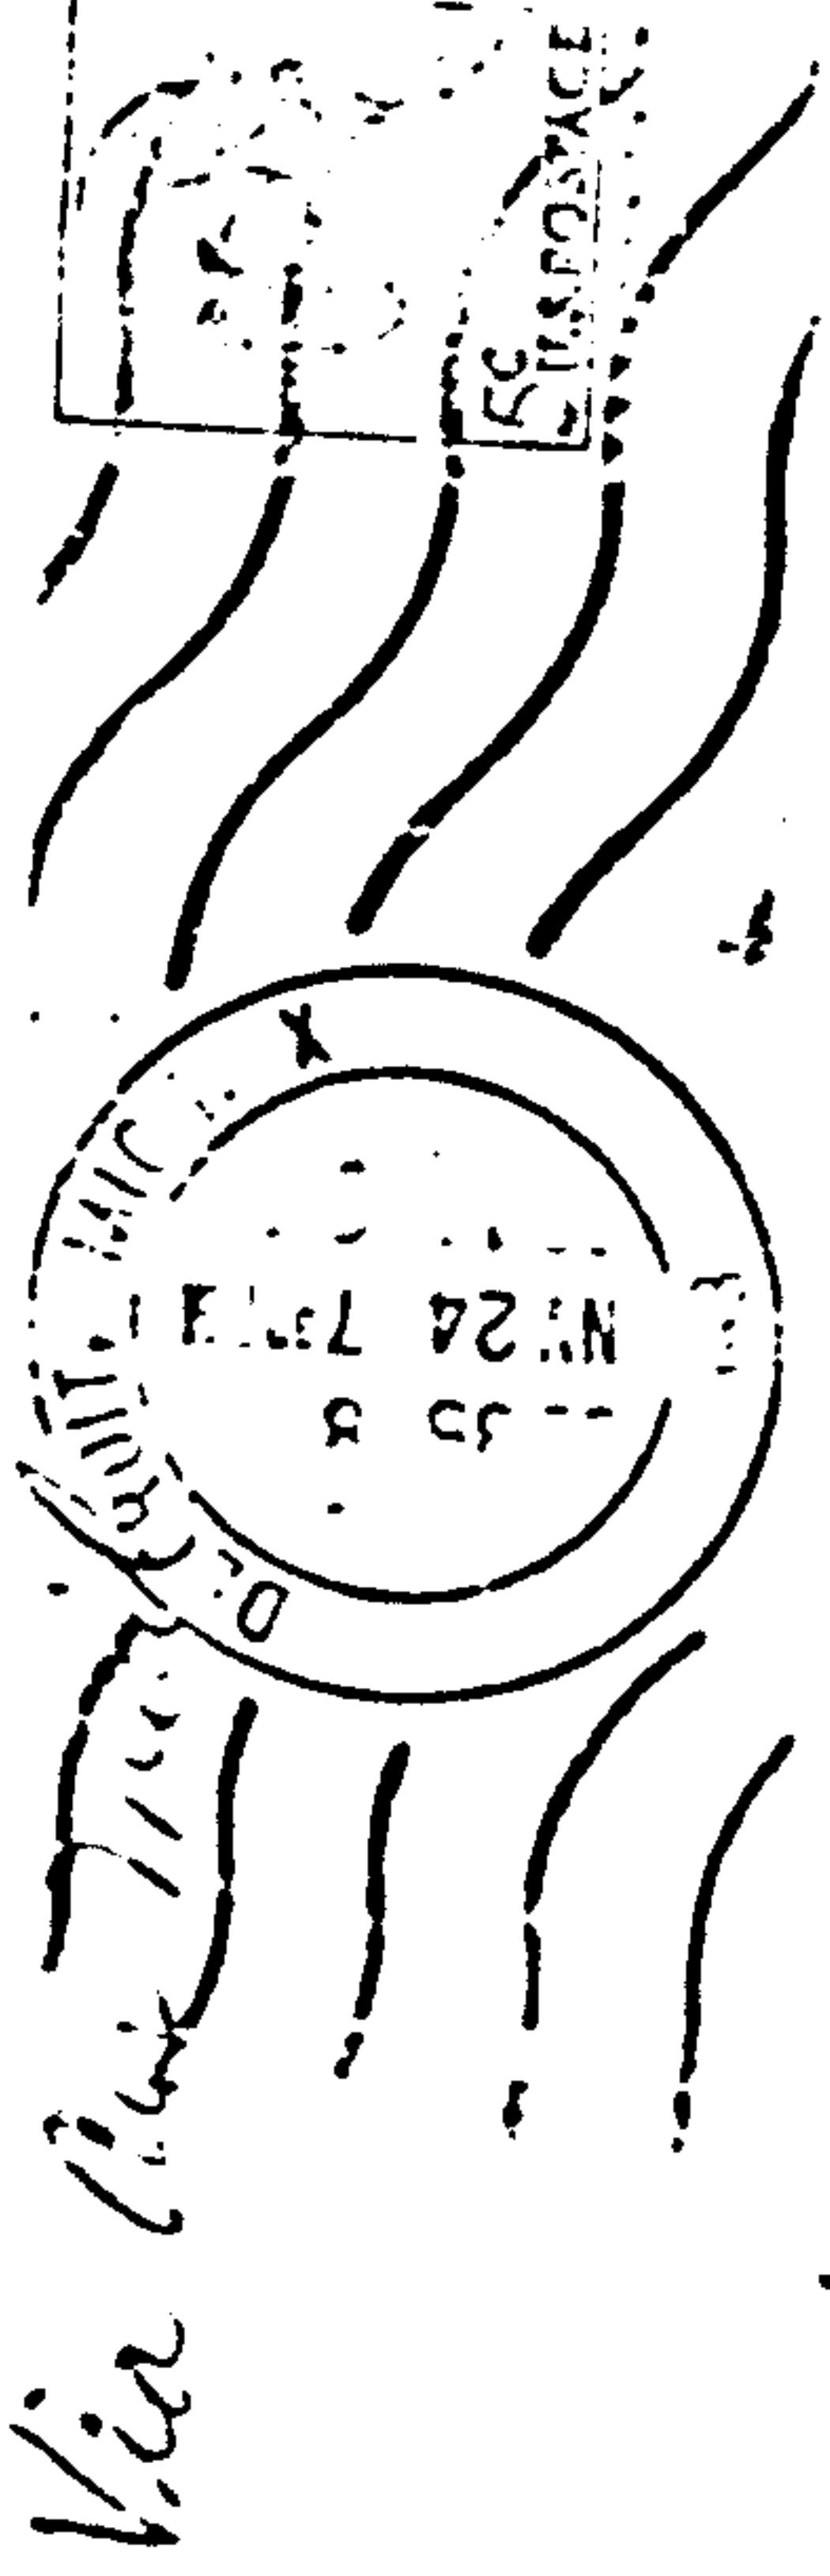

Sermon on the Mount
Holy Bible, St. Mathew, Chapter 6
Verses 5 and 6

Pray for the conversion of Russia and China to Christianity. Pray for the conversion of the Vatican to christian communism inspired by the example of Christ's apostles.
