American Embassy,
Moscow, USSR,
January 21, 1962.

Mr. Lee H. Oswald,
House 4, Apartment 24,
Kalinina Street,
Minsk, USSR.

Dear Mr. Oswald:

The Embassy has received your letter and enclosures of January 16, 1962. Regarding the visa petition for your wife, we are attempting to get an early decision from the Immigration and Naturalization Service and will of course inform you as soon as we receive word here.

We shall retain on file the affidavit and other documentation which you sent, although there is considerable doubt about their adequacy to meet the provisions of U. S. Immigration laws. You may be sure that this question will be fully explored. Meanwhile, I cannot urge you strongly enough to attempt to obtain a support affidavit from a close relative in the United States, in order to insure that your wife will be able to travel with you. There is no other documentation now required from you.

Should you and your wife depart after your child is born, it will be a fairly simple matter here to have the child included in your American passport. You will be required to submit the child's birth certificate and photographs.

Sincerely yours,

Joseph B. Norbury

American Embassy,
Moscow, USSR,
January 15, 1962.

Mr. Lee Harvey Oswald,
Ulitsa Kalinina,
House 4, Apartment 24,
Minsk, USSR.

Dear Mr. Oswald:

Your letter of January 5, 1962, was received at the Embassy on January 11. It obviously crossed my letter of January 5 which I presume you have received by now.

↓ On January 13 the Embassy received official notification from the Ministry of Foreign Affairs of the issuance of an exit visa to your wife valid until December 1, 1962. In order to proceed with her documentation for a U. S. immigrant visa, there is enclosed Form FS-497 which she should complete and return to the Embassy at her earliest convenience.

As you were informed by my letter of January 5, there are several other documents connected with your wife's immigrant visa application which are still lacking. As far as the Embassy is aware, the petition which you filed to classify your wife's visa status has not yet been approved by the Immigration and Naturalization Service. Moreover, evidence required by law to show that your wife will not become a public charge in the United States has not been presented to the Embassy. One possibility, in this regard, would be for your mother or some other close relative in the United States to file an affidavit of support in your wife's behalf. Until these documentary requirements are satisfied, the Embassy will not be able to take final action on your wife's visa application.

In view of these circumstances, you may wish to reconsider your decision to defer your departure until Mrs. Oswald's documentation is complete, particularly inasmuch as it may prove difficult

to provide the

211

to provide the necessary financial support evidence while you are still in the USSR. Please inform us of your intentions in this matter.

The question which you raise of a loan to defray part of your travel expenses to the United States can be discussed when you come to the Embassy.

We have made note of the fact that you have been issued a new Soviet residence document which will expire on July 5, 1962. We have also noted that Mrs. Oswald is expecting a baby in March.

Very truly yours,

Samuel G. Wise

Mr. Lee H. Oswald,

Dear Mr. Oswald:

In your letter of January 5, 1962, you asked whether you could obtain a loan to cover part of the cost of your transportation back to the United States. We are prepared to take your application for a loan. You should send us the following information in an original and two copies:

- (1) Your name in full.
- (2) Place and date of birth.
- (3) Number, place, and date of issue of your last passport.
- (4) Periods and places of residence in the United States, and periods, places and purpose of residence abroad.
- (5) Previous means of livelihood or support, including occupation, salary, when terminated, and name and address of last employer.
- (6) Full name, age, relationship, and nationality of dependents who will travel with you.
- (7) Personal funds or property in the United States or abroad, estimate of amount, exact location and person or institution in charge of them.
- (8) Efforts made to obtain funds from private sources and the results thereof.
- (9) Any previous advances of United States Government funds received (indicate amount, from whom and when).
- (10) Estimated amount which you and your dependents will require for repatriation (expressed in dollars). Please note that it is necessary to indicate just how much of the cost of your return trip you can pay yourself.
- (11) Names and addresses of relatives, friends, employers or other interested organizations which may be asked to provide funds for you and your dependents.

(12) Permanent or last

307

- 2 -

(12) Permanent or last address in the United States to which you desire to return.

You should also sign and return the enclosed affirmation in three copies.

Any loan of this type is payable on demand. The recipient must keep the Department of State informed of his address in the United States until such time as he has liquidated his indebtedness. After repatriation, the recipient will not be furnished a passport for travel abroad until he has reimbursed the Government.

With reference to our previous correspondence on the subject of the support affidavit requirement for your wife, we have been informed that any proof which you can submit showing that you have employment to which you can return will be sufficient evidence to meet the public charge provision of the immigration law. This of course is not the only kind of evidence that you may use. An affidavit of support by your mother or other close relative would be equally effective.

Very truly yours,

Joseph B. Norbury

Mr. Lee H. Oswald,

Dear Mr. Oswald:

We have received your loan application and have noted the birth of your daughter June Lee on February 15. We have been authorized to advance you an amount not to exceed \$500 to help defray the cost of travel to an American port of entry of yourself and your family. You will of course be expected to use the cheapest available mode of transportation. As you probably know, an immigrant discount will be available to your wife for the steamship crossing. You will be asked to sign a promissory note for the funds at the time you receive them.

We are prepared to accept the various evidence you have submitted as adequate proof of your ability to support your wife after her arrival in the United States.

We have not yet received the approved visa petition for your wife. Meanwhile, you may wish to come to Moscow by yourself to obtain the renewal of your passport and the inclusion of your daughter therein. (Three separate pictures of her, size 2 1/2 to 3 inches by 2 1/2 to 3 inches will be necessary). While you are here, you can register the birth of your child at the Embassy. Please bring with you her birth certificate. You can also inquire about travel arrangements while you are here. After your return to Minsk, as soon as you have received word from us that your wife's visa petition has been approved, you can submit your passport to the OVIR for your exit visa. After your visa is issued, you can leave Minsk definitively with your wife and daughter, come to Moscow, where we will issue her an American immigrant visa. At the Ministry of Foreign Affairs in Moscow she can have your daughter immediately included on her Soviet foreign passport. This passport will then be forwarded by the Ministry to the Moscow OVIR, where your wife can personally pick it up. Whatever transit visas you all may require can be obtained during this final stay in Moscow, which should last less than one week. You can leave for the United States directly from here.

Dear Mr. Oswald:

In answer to the question raised in your recent letter, you should request Brest as the point of exit on your visa. Although we anticipate that for economy reasons rail travel through Brest to a port of embarkation will be required, it would be a good extra measure of precaution if you could have Moscow airport noted as an alternative exit point. Your wife's visa permits her to exit at any border point.

Dear Mr. Oswald:

I am pleased to inform you that the Embassy is now in a position to take final action on your wife's visa application. Therefore, you and your wife are invited to come to the Embassy at your convenience when your wife has gathered the documents listed in the attached Form DSL-869.

The Embassy has on file two copies of your wife's birth certificate and one copy of her marriage certificate. Therefore, she need bring only one more copy of her marriage certificate, three photographs, an X-ray, serological analysis and certification of smallpox inoculation.

As you were notified previously, three photographs of your daughter and a copy of her birth certificate will also be necessary for the Consular Report of Birth and the amendment of your passport.

As I mentioned in my previous letter, you should request that Brest (and also Moscow Airport if possible) be designated as exit points in your Soviet exit visa.

Please notify the Embassy when to expect you.

ADDRESS OFFICIAL CORRESPONDENCE TO

Washington 25, D. C.,
October 12, 1961.

Mr. Lee H. Oswald,
Ulitsa Kalinina 4,

Minsk, USSR.

Dear Mr. Oswald:

The Embassy acknowledges receipt of your letters of August (undated), August 6, and October 4. We trust you will continue to keep us informed of developments in your application for Soviet exit visas. Our experience has been that action on such applications is seldom taken rapidly. Unfortunately the Embassy has no way of influencing Soviet action on these matters.

The petition to classify the status of your wife for the issuance of a U. S. immigrant visa has not yet been approved. We shall notify you as soon as there are any developments in this matter.

With reference to the question posed in your letter of August 6 regarding the mode of your eventual travel to the United States, train travel by customary routes to a convenient port of embarkation would come within the scope of the term "direct travel". You would of course in such case need transit visas from certain of the countries en route.

We can discuss the question of renewing your American passport with you at any time you are able to return to the Embassy with your passport for this purpose.

Very truly yours,

Joseph B. Norbury

Dear Mr. Oswald:

We have your letter of March 12, 1961 in which you state that it would not be convenient for you to visit the Embassy in Moscow, and that you do not believe that it would be appropriate to request permission from the Soviet authorities in Minsk to travel to Moscow for this purpose.

The Soviet Ministry of Foreign Affairs has always assured the Embassy that it interposes no objections or obstacles to visits to the Embassy on the part of American citizens in the Soviet Union. As stated in our previous letter a final determination of your present American citizenship status can only be made on the basis of a personal interview. Certain statements of legal force relating to your citizenship status should be made under oath in the presence of a consular officer.

We suggest that you inform us in advance of any intention to visit the Embassy so as to be assured of an appointment without delay. You may, however, drop in at any time during normal office hours. You may wish to present this letter to the authorities in Minsk in connection with an application for permission to travel to Moscow.

Dear Mr. Oswald:

I refer to your letter of November 1, 1961, regarding
your documentation by the Soviet authorities.

The Soviet passport which you have is the type issued
to persons considered by the Soviet authorities to have no
citizenship (лицам без гражданства). Citizens of the
Soviet Union or of any other country are not issued this
passport form and individuals acknowledged to be foreign born
(лицам иностранного происхождения).

As we have stated before, we are willing to discuss
the renewal of your American passport when you next appear
at the Embassy. Meanwhile, your continued retention of
your present Soviet passport or an extension thereof does not
prejudice in any way your claim to American citizenship.

DEAR Mr. Oswald:

I have your letter of January 23, 1962, and assure that by now you have received my letter of January 24.

The Soviet exit visa in your wife's passport is valid until December 1, 1962.

✓The Embassy is not yet in a position to issue your wife's visa for two reasons. First, an approved visa petition for your wife has not yet been received from the Immigration and Naturalization Service. Second, it is not yet clear that the affidavit of support which you submitted, without other evidence substantiating your financial ability to sponsor your wife, satisfies the public charge provision of the law. The Embassy has requested that action on your visa petition be expedited and that careful consideration be given to your affidavit of support. In regard to the latter, at this time I can only repeat my previous suggestion that you request your mother to file an affidavit of support on behalf of your wife.

Although the Embassy is making every effort to complete action on your wife's visa application as soon as possible, it seems highly unlikely that the visa can be issued in time to permit her to travel before your child is born. Most airlines will not accept passengers during the ninth month of pregnancy. Therefore, it would seem advisable for you to plan for the baby to be born before you leave for the United States.

TO REPAY FINANCIAL ASSISTANCE LOAN FOR REPATRIATION

I, Lee Harvey OSWALD, upon receipt of transportation tickets for myself, my wife, and my daughter for transportation from Moscow to New York, purchased on my behalf by the American Embassy, Moscow, do solemnly swear to repay without interest to the Treasurer of the United States upon demand, in legal tender of the United States, the cost of these tickets, minus the contribution which I made toward their cost.

The cost of the transportation is as follows:

- (1) Steamship tickets - Rotterdam-New York (2179 per adult, 600 for infant) \$118
- (2) Rail tickets - Moscow-Rotterdam (52.97 Rubles per adult) 105.94 Rubles

I have contributed 90 Rubles toward the price of the rail tickets. Hence my obligation is \$118 plus \$17.71, the dollar equivalent of 15.94 Rubles, making a total of \$435.71.

I understand that my obligation to repay the sum herein stated will not be discharged until the Treasurer of the United States actually receives in legal tender of the United States full repayment of that sum.

I further understand and agree that after my repatriation I will not be furnished a passport for travel abroad until my obligation to reimburse the Treasurer of the United States is liquidated.

Repayment of the amount of this loan may be obtained by the Department of State from any office not within the United States or from any other agency of the United States.

Dear Mr. Oswald:

Reference is made to your letter of December 27, 1961,
concerning your desire to return to the United States.

The Embassy has not yet been notified of the issuance
of Soviet exit visas to you or your wife. Presumably, in
your case, an exit visa cannot be issued until you are in
possession of a valid passport.

In reply to your questions, a passport can normally be
extended at the Embassy within a single full working day if you
are informed of your arrival in advance. Following issuance,
the passport will be yours to keep until the completion of
your travel.

Your wife's immigrant visa application will take some-
what longer to formulate inasmuch as she still lacks an
approved visa petition and an affidavit of support or offer
of employment. In regard to this latter requirement, there
is enclosed an information sheet describing various forms of
support which may be submitted in your wife's
interest.

Considering the documentation necessary, you may wish
to proceed to the United States first in order to facilitate
the issuance of your wife's visa.

EVIDENCE WHICH CAN BE PRESENTED TO MEET THE
PUBLIC CHARGE PROVISION OF THE LAW

Section 212(a)(15) of the Immigration and Nationality Act of the United States requires that an applicant for an immigrant visa establish to the satisfaction of the consular officer at the time of his application for a visa, and also to the satisfaction of the United States Immigration officials at the time of his application for admission into the United States, that he is not likely at any time to become a public charge.

An applicant for an immigrant visa may generally meet the public charge requirements of the law by the presentation of documentary evidence, in duplicate, establishing that:

- (a) he has, or will have, in the United States funds of his own sufficient to provide for his support.
- (b) he has employment awaiting him in the United States which will provide an adequate income; or
- (c) relatives or friends in the United States will assure his support. Since recent court decisions have held that affidavits of support constitute only a moral and not a legal obligation these affidavits have significance only to the extent that they show compelling moral reasons which prompt the affiant to assume responsibility for the alien should he be in need of assistance.

EVIDENCE OF APPLICANT'S OWN FUNDS

An applicant who has, or will have, in the United States funds of his own available for his support may submit to the consular officer one or more of the following items:

- (a) statement from an officer of a bank showing present balance of applicant's account, date account was opened, and average balance during the year. If there have been recent unusually large deposits an explanation therefor should be given.
- (b) proof of ownership of property or real estate, in the form of a letter from a lawyer, banker or responsible real estate agent showing its present valuation. Any mortgages or liens against the property must be stated.
- (c) letter or letters verifying ownership of stocks and bonds, with present market value indicated;
- (d) statement from insurance company showing policies held and present cash surrender value;
- (e) proof of income from business investments or other sources.

PREARRANGED EMPLOYMENT

Evidence of prearranged employment should be presented in the form of a written statement, in duplicate, from the prospective employer, on his business letterhead or if he has no letterhead in the form of an affidavit.

The statement or affidavit should:

- (a) contain a definite offer of employment;
- (b) state whether the employment will be immediately available upon the applicant's arrival in the United States;

(c) specify

Dear Mr. Oswald:

We have received your recent letter concerning your desire to return to the United States. Your earlier letter of December, 1960 which you mentioned in your present letter does not appear to have been received at the Embassy.

Inasmuch as the question of your present American citizenship status can be finally determined only on the basis of a personal interview, we suggest that you plan to appear at the Embassy at your convenience. The consular section of the Embassy is open from 9:00 a.m. to 6:00 p.m.

The Embassy was recently informed by the Department of State that it had received an inquiry from your mother in which she said that she had not heard from you since December, 1959 and was concerned about your whereabouts and welfare.

Very truly yours,
