PROMISE TO REPAY FINANCIAL ASSISTANCE LOAN FOR RE-ENTRY

I, Lee Harvey OSWALD, upon receipt of transportation tickets for myself, my wife, and my daughter for transportation from Moscow to New York, purchased on my behalf by the American Embassy, Moscow, do obligate myself to repay without interest to the Treasurer of the United States upon demand, in legal tender of the United States, the cost of these tickets, minus the contribution which I made toward their cost.

The cost of the transportation is as follows:

- (1) Steamship tickets - Rotterdam-New York \$418  
(\$157 per adult, \$20 for infant)
- (2) Rail tickets - Moscow-Rotterdam 105.51 Rubles  
(\$2.97 Rubles per adult)

I have contributed 90 Rubles toward the price of the rail tickets. My obligation is \$418 plus \$17.71, the dollar equivalent of 15.91 Rubles, making a total of \$435.71.

I understand that my obligation to repay the sum herein stated will not be discharged until the Treasurer of the United States actually receives in legal tender of the United States full repayment of that sum.

I further understand and agree that after my re-entrance I will not be furnished a passport for travel abroad until my obligation to reimburse the Treasurer of the United States is liquidated.

Repayment of the amount of this loan may be obtained by the Department of State from any monies now or hereafter due me from the Veterans Administration or other agency of the United States Government.

7 MAR 1962

Mr. Lee H. Oswald  
Kalinina Street, 4-24

Dear Mr. Oswald:

Your letter of 30 January 1962 addressed to the Secretary of the Navy concerning your separation from the Marine Corps Reserve on 13 September 1960 has been referred to me for reply.

A review of your file at this Headquarters reflects that a board of officers was convened by the Commander, Marine Air Reserve Training, Naval Air Station, Glenview, Illinois, for the purpose of determining your fitness to remain a member of the Marine Corps Reserve. Referral of your case to this board was premised on reliable information which indicated that you had renounced your United States citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. The Commander, Marine Air Reserve Training, made reasonable effort to inform you of your right to appear before the board in person, representation by counsel of your choice and to present any evidence or statements you believed pertinent to your case.

In the absence of reply from you concerning your rights as noted above, the board, nevertheless, convened and met on 6 August 1960 at which time a recommendation was submitted that you be separated from the Marine Corps Reserve as undesirable. This recommendation was concurred in by the Commander, Marine Air Reserve Training and approved by this Headquarters. Your discharge as undesirable was directed by this Headquarters on 17 August 1960 and effected 13 September 1960.

Your discharge certificate as undesirable is attached. Earlier delivery of your certificate could not be accomplished since your whereabouts previously was unknown.

Sincerely,

251

R. McG. TOMPKINS

Уважаемый гражданин Харвот Освальд!

Просим извинить нас за задержку с ответом на Ваше заявление о приеме на учебу в Университет дружбы народов имени Патриса Лумумбы.

Нам понятно Ваше стремление учиться в Университете дружбы народов, однако, к сожалению, мы не можем удовлетворить Вашу просьбу ввиду того, что Университет создан исключительно для молодежи слаборазвитых стран Азии, Африки и Латинской Америки. Что касается граждан других стран или лиц без гражданства, то они могут быть приняты в любое другое высшее учебное заведение Советского Союза согласно существующим для них правилам.

July 30, 1963

Dear Lee and Marina:

It was a pleasure to have been able to visit with you this past weekend. I enjoyed seeing you both and hope that you found your stay here pleasant. Your talk on Russia and the way the Russian people live today has given us a better insight in this regard, something which most of us did not previously have.

If you have any interest in becoming better acquainted with the Church, let me know. Some good books have been written about the true purpose of the Church and her function in the world. We also have a competent priest in New Orleans who would be able to discuss the subject with you if you would like to.

I hope that you're able to find a job soon."

Sincerely,

*Gene*

Dear Lee:

This morning I was speaking with one of our professors who heard the talk you gave to us. He thought that you made a number of good points. One of these was your criticism of speculation in the capitalistic system. He equated stock speculation with gambling. It seems to be another form of it. Another point was your criticism of exploitation which occurs in capitalism. On both these points, speculation and exploitation, the Popes have spoken strongly against them in the past 70 years.

On the other hand, the professor to whom I am referring thought that you hadn't made sufficient application. Applying the criticism of speculation and exploitation in our country, it seems that these things are regulated. In the instances where certain individuals do overstep their bounds, it seems that such occurrences are practically inevitable in a free society. If we are going to have freedom rather than strict regimentation, then the government will naturally find it very difficult to curb all abuses. The difficulty with communism is that it suppresses freedom, as you indicated, in order to obtain efficiency.

You mentioned that there are good and bad points in each system and that possibly the best system would be a fusion of the good points of both capitalism and communism, something approaching socialism. It seems that socialism might work in a small society but again, when we apply this to our own country, it appears that we are very complex and that it would be very difficult for the government sufficiently to control such a complex society as ours along the lines of socialism. Also here again, socialism means the sacrifice of freedom in practice if it is going to work. Freedom seems to be a fundamental human value precious to every man. I think that freedom can be retained and yet we can still have a just economic, political and social system. Of course this requires that each man live up to the obligations and responsibilities of respecting the freedom of other men and exercising his own freedom in a just way. Perhaps it is more difficult to achieve a just social order by relying on individuals to show initiative and responsibility in respecting rights and living up to duties, but it seems that a society based on respect for justice and individual worth is much more lasting and solidly founded and more in accord with man's nature.

The Popes beginning with Leo XIII in 1891 and continuing up to the present day have given considerable thought and energy in trying to think through to a solution of economic and social and political abuses. You might get some ideas from the enclosed article as to how the Popes have been trying to work out the problem as well as some stimulation to your own thinking on the matter.

That's about it for now. Give my regards to Marina.

Sincerely,  
*Gene*
