~~It is~~ the emerging industrial revolution caused the birth of capitalism, the struggle between the new society and feudalism culminated in the destruction of feudalism because capitalism promised abundance under a new system.

and in Great Britain, the bourgeoisie ^{at about the same time,} rose against the old order and communism replaced the aristocracy.

because it too, promised
abundance and justice

But in a conflict between
these two systems the ^{people} ~~the~~
of both societies will
seek a new system.

a system which would
not violate the intilled ^{good}
ideas about the relative
systems but one which
would be, because of the

ideas would have brought
entirely opposed to both
a system embodying the
best tendencies of the Cap.

the necess. allowances for the

unforced contradictions of
man's mind, body and spirit.

Dear Lee and Marina:

It was a pleasure to have been able to visit with you this past weekend. I enjoyed seeing you both and hope that you found your stay here pleasant. Your talk on Russia and the way the Russian people live today has given us a better insight in this regard, something which most of us did not previously have.

If you have any interest in becoming better acquainted with the Church, let me know. Some good books have been written about the true purpose of the Church and her function in the world. We also have a competent priest in New Orleans who would be able to discuss the subject with you if you would like to.

I hope that you're able to find a job soon.

Sincerely,

Gene

INSTRUCTIONS

All these instructions do not relate to the type of case which concerns you. Please read carefully those which do relate. Failure to follow instructions may require return of your petition and delay final action.

I. Eligibility. Petitions may be filed by certain persons or organizations to grant nonquota or preference quota visa classification to aliens under the Immigration and Nationality Act as follows:

a. **By a United States citizen for specified relatives:** Except as noted in paragraph 2, a citizen of the United States may submit a petition on behalf of a spouse, children (if the citizen is at least 21 years of age), brothers or sisters.

b. **By a lawful permanent resident alien for specified relatives:** Except as noted in paragraph 2, an alien lawfully admitted to the United States for permanent residence may submit a petition on behalf of a spouse or an unmarried child regardless of age.

c. **By a religious denomination for a minister:** A religious denomination, having a bona fide organization in the United States, may submit a petition for the issuance of a visa to an alien who continuously for at least 2 years immediately preceding the time of his application for admission to enter the United States has been and seeks to enter the United States solely for the purpose of carrying on the vocation of a minister of such religious denomination requiring his services. The term "minister" means a person duly authorized by a religious sect or denomination to conduct religious worship, and to perform other duties usually performed by a regularly ordained pastor or clergyman. Lay preachers, cantors, nuns, or others not authorized to perform the duties usually performed by a regularly ordained pastor or clergyman do not come within this definition.

d. **By a petitioner for a highly skilled alien whose services are urgently needed in the United States:** A petition may be filed for the issuance of an immigrant visa to a qualified alien whose services are needed urgently in the United States because of his high education, technical training, specialized experience, or exceptional ability, if such services would be substantially beneficial prospectively to the national economy, cultural interests, or welfare of the United States.

2. Petitions which cannot be approved. Approval cannot be given to petitions on behalf of—

a. A parent, unless the United States citizen petitioner is at least 21 years of age.

b. An adoptive parent, unless the relationship to the United States citizen petitioner exists by virtue of an adoption which took place while the child was under the age of 14, and the child has thereafter been in the legal custody of, and has resided with the adopting parent or parents for at least 2 years.

c. A stepparent, unless the marriage creating the status of stepparent occurred before the citizen steppchild reached the age of 18 years.

d. An adopted child, unless the child was adopted while under the age of 14 and has thereafter been in the legal custody of, and has resided with the adopting parent or parents for at least 2 years. The same petitioner may not petition for more than two such children unless necessary to prevent separation of brother and sisters.

e. A stepchild, unless the child was under the age of 18 years at the time the marriage creating the status of stepchild occurred. A wife or husband by reason of any marriage ceremony where the contracting parties thereto were not physically present in the presence of each other, unless the marriage shall have been consummated.

f. A prospective wife or husband.

3. Supporting documents. The following documents must be submitted with the petition.

a. **To prove United States citizenship of petitioner (where petition is for relative of a citizen):** (1) If birth certificate is obtainable, copy of your baptismal certificate under seal of the church, showing place of birth (baptism must have occurred within 2 months after birth), or (c) if birth or baptismal certificate cannot be obtained, affidavits of two United States citizens who have personal knowledge of your birth in the United States.

(2) If you were born outside the United States and became a citizen through the naturalization or citizenship of a parent or husband, and have not been issued a certificate of citizenship in your own name, submit evidence of the citizenship and marriage of such parent or husband, as well as termination of any prior marriages. Also, if you claim citizenship through a parent, submit your birth certificate and a separate statement showing the date, port, and means of all your arrivals and departures into and out of the United States. (Do not make or submit a photocopy of a certificate of citizenship. See instruction No. 8.)

(3) If your naturalization occurred within 90 days immediately preceding the filing of this petition, or if it occurred prior to September 27, 1906, the naturalization certificate must accompany the petition. Do not make or submit a photocopy of such certificate (see instruction No. 8).

b. **To prove family relationship between petitioner and beneficiary.** (1) If petition is submitted on behalf of a wife or husband, it must be accompanied by a certificate of marriage to the beneficiary and proof of legal termination of all previous marriages of both wife and husband.

(2) If petition is submitted on behalf of a child, certificate of marriage of the parents, proof of termination of their prior marriages, and birth certificate of the child must accompany the application.

(3) If petition is submitted on behalf of a brother or sister, your own birth certificate and the birth certificate of the beneficiary, showing a common mother, must accompany this application. If the petition is on behalf of a brother or sister having a common father and different mothers, marriage certificate of your parents, and proof of termination of their prior marriages must accompany this application. If either petitioner or beneficiary is a married woman, marriage certificate(s) must accompany this application.

8

(4) If petition is submitted on behalf of a parent, your own birth certificate and marriage certificate of your parents must accompany this application, as well as proof of termination of prior marriages of your parents.

c. To establish eligibility of alien beneficiary for classification as a minister.

(1) Attach a statement on official stationery regarding ordination or other authorization to act as a minister, and showing the name of each religious denomination or sect, the period of service and the addresses at which such services were performed, during the last 2 years. Such statement or statements shall be signed by the appropriate official having a knowledge of the prospective immigrant's religious service abroad and shall state the source of the official's knowledge of such service. Also submit statement explaining why services of the alien are needed by petitioner.

d. To establish eligibility of alien beneficiary as a highly skilled immigrant.

(1) Attach signed statement on stationery of petitioner as to the following: Name and title of person authorized to sign petition; date and place of incorporation or organization; nature of the business; average number of employees; average annual net income; description of the prospective work of the alien. The statement must also explain why the services of the alien are urgently needed in the United States and how they will be substantially beneficial to the national economy, cultural interests, or welfare of the United States.

(2) If the alien's eligibility is based solely on high education, attach certified copy of scholastic record showing period of attendance and degrees awarded. If the alien's eligibility is based on technical training, specialized experience, or exceptional ability, suggested examples of evidence which should be submitted are affidavits from independent sources, such as former employers or recognized experts in the alien's field of work, material published by the alien, or material published about him. If the nature of the position is such that a training period is necessary before a person can be regarded as proficient, state the length of such period, and submit proof that the alien has had the training for the required time.

(3) Attach a clearance order from the United States Employment Service, unless the occupation is one already determined to be needed in the United States. (Consult the nearest Immigration and Naturalization Service office for information on such occupations.)

e. Documents in general.

(1) All documents must be submitted in the original. If the petition is for a minister or a highly skilled person original documents will not be returned unless accompanied by photostatic copies. However, a photostatic copy unaccompanied by the original may be accepted if the copy bears a certification by an immigration or consular officer that the copy was compared with the original and found to be identical.

4. Preparation of petition. A separate petition for each beneficiary must be typewritten or printed legibly, with pen and ink (one copy only).

5. Execution of petition. You must sign the petition in your full, true, and correct name and affirm or make it under oath.

a. In the United States the petition may be sworn to or affirmed before an immigration officer without the payment of fee, or before a notary public or other officer authorized to administer oaths for general purposes, in which case the official seal or certificate of authority to administer oaths must be affixed.

b. Outside the United States the petition must be sworn to or affirmed before a United States consular or immigration officer.

c. A member of the Armed Forces of the United States, either in the United States or abroad, may swear to or affirm the petition before an officer of the Armed Forces authorized to perform notarial acts under Article 136, Uniform Code of Military Justice. His wife or other dependent, abroad only, may swear to or affirm the petition in like manner.

6. Submission of petition. If you are residing in the United States, send the completed petition to the office of the Immigration and Naturalization Service nearest your place of residence. If you are petitioning for a highly skilled person or a minister, submit the petition to the office having jurisdiction over the place where the alien's services are to be performed. If you are residing outside the United States consult the nearest American consulate as to the foreign office of this Service designated to act on your petition. In all cases where the beneficiary of the petition is an unmarried child approaching the age of 21 years, the petition must be submitted in sufficient time for action to be completed on the petition and for the child to obtain a visa and reach the United States before the date on which he will be 21 years of age.

7. Fees. A fee of \$10, payable in United States currency, must accompany this petition. The fee is required for filing the petition and is not returnable regardless of the action taken. If you mail this petition, attach money order or check. DO NOT SEND CASH. Money order or check should be drawn on a United States bank to the order of "Immigration and Naturalization Service, Department of Justice." If residing in Guam, draw remittance in favor of the "Treasurer, Guam." If residing in the Virgin Islands, draw remittance in favor of the "Commissioner of Finance of the Virgin Islands."

PROMISE TO REPAY FINANCIAL ASSISTANCE LOAN FOR REIMBURSEMENT

I, Lee Harvey OSWALD, upon receipt of transportation tickets for myself, my wife, and my daughter for transportation from Moscow to New York, purchased on my behalf by the American Embassy, Moscow, do obligate myself to repay without interest to the Treasurer of the United States upon demand in legal tender of the United States, the cost of these tickets, minus the contribution which I made toward their cost.

The cost of the transportation is as follows:

- | | |
|--|---------------|
| (1) Steamship tickets - Rotterdam-New York | \$418 |
| (199 per adult, 20 for infant) | |
| (2) Rail tickets - Moscow-Rotterdam | 105.54 Rubles |
| (52.97 Rubles per adult) | |

I have contributed 50 Rubles toward the price of the rail tickets. Hence my obligation is \$418 plus \$17.71, the dollar equivalent of 15.54 Rubles, making a total of \$435.71.

I understand that my obligation to repay the sum herein stated will not be discharged until the Treasurer of the United States actually receives in legal tender of the United States full repayment of that sum.

I further understand and agree that after my repatriation I will not be furnished a passport for travel abroad until my obligation to reimburse the Treasurer of the United States is liquidated.

Repayment of the amount of this loan may be obtained by the Department of State from any monies now or hereafter due me from the Veterans Administration or other agency of the United States Government.

**Amphlet Case
Sentence Given**

Lee Oswald, 23, 1907 Magazine, Monday was sentenced to pay a fine of \$10 or serve 10 days in jail on a charge of disturbing the peace by creating a scene. Oswald was arrested by First District police at 4:15 p. m. Friday in the 700 block of Canal while he was reportedly distributing pamphlets asking for a "Fair Play for Cuba."

Police were called to the scene when three Cubans reportedly sought to stop Oswald. Municipal charges against the Cubans for disturbing the peace were dropped by the court.
