Mr. Lee Harvey Oswald,

Moscow, U.S.S.R.

Dear Mr. Oswald:

We have received your recent letter concerning your desire to return to the United States. Your earlier letter of December, 1959, which you mentioned in your present letter does not appear to have been received at the Embassy.

Inasmuch as the question of your present American citizenship status can be finally determined only on the basis of a personal interview, we suggest that you plan to appear at the Embassy at your convenience. The consular section of the Embassy is open from 9:00 a.m. to 6:00 p.m.

The Embassy was recently informed by the Department of State that it had received an inquiry from your mother in which she said that she had not heard from you since December, 1959 and was concerned about your whereabouts and welfare.

Very truly yours,

Richard L. Snyder  
American Consul

The Government of the United States is pleased to  
which you desired to obtain.

You should also sign and return the enclosed application to  
three copies.

Any loan of this type is payable on demand. The recipient  
must keep the Department of State informed of his address in the  
United States until such time as he has liquidated his indebtedness.  
After repatriation, the recipient will not be furnished a passport  
for travel abroad until he has reimbursed the Government.

With reference to our previous correspondence on the subject  
of the support affidavit requirement for your wife, we have been  
informed that any proof which you can submit showing that you have  
employment to which you can return will be sufficient evidence to  
meet the public charge provision of the immigration law. This  
course is not the only kind of evidence that you may use. An  
affidavit of support by your mother or other close relative would be  
equally effective.
